## BOARD OF EDUCATION

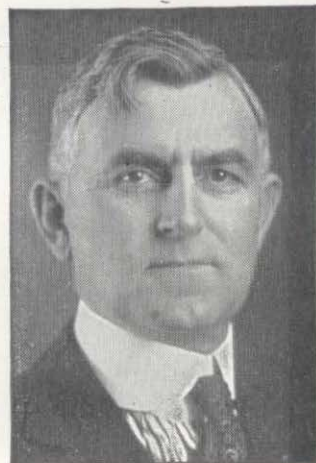

**G. A. BECKER, Pres.**

Elected to School Board in May 1912, served on the Board continually since then—a total of 14 years.

**DR. C. E. PALMER**

Elected to Board in May of 1920. Served without break since then.

**H. O. SCHAAF**

Elected to the Board in May 1911. Served without break since then. His 15 years service makes him the oldest member on the Board in number of years of service.

**JOHN EBERLY**

Elected to Board in May 1922.  
Served continuously since then.

**MRS. H. E. BURDICK**

Appointed, in 1918, to fill vacancy in Board. Elected to Board in May 1919. Served till expiration of term in 1922. Elected again in 1923 continuing until the present day.

The students of the David City High School wish to express their appreciation of the services rendered and the opportunity offered as a result of the work of the School Board.

## IN MEMORIAM

### Mrs. J. L. Reddy

Mrs. J. L. Reddy was elected to the Board of Education in April, 1922, and served continuously as a member of that body until the time of her death on January 24, of the present year.

Mrs. Reddy was a woman who was intensely interested in the welfare of the Community in which she lived and she always gave freely of her time and strength for any cause which resulted in any form of community betterment. She possessed a keen knowledge of educational affairs and because of this and her sympathetic interest in educational problems she was a most valuable member of the Board of Education. During the last year of her life she was forced on account of failing health to give up many of the activities in which she had been engaged. However she continued to render service as a member of the Board of Education long after many of her other activities had been given up.

In all of her decisions and deliberations as a member of the Board, Mrs. Reddy was actuated by the highest motives. The educational advancement of the children of the community always came first with her and her every effort was directed toward securing the best possible educational opportunity for the young people of David City.

It was with a sense of distinct personal loss that the students of the David City High School learned of her passing and yet we rejoice with her family and friends in the knowledge of a life that had been devoted to service for others and the sureness of her reward in the life to come.

## Senior Class History

The September sun shone brightly, the birds twittered gaily in the trees, and all nature seemed to rejoice of the great event that was to take place. There was just reason for all this gladness, for upon this eighth day of September the classic halls of David City High School echoed for the first time, the footsteps of the class of '26. From the very first, all members of our class entered heartily into all school activities, and choosing "Pep" as our guide, we determined to make the school realize what real spirit could accomplish. We spent most of our Freshman year adjusting ourselves to our new home and making big plans for our future.

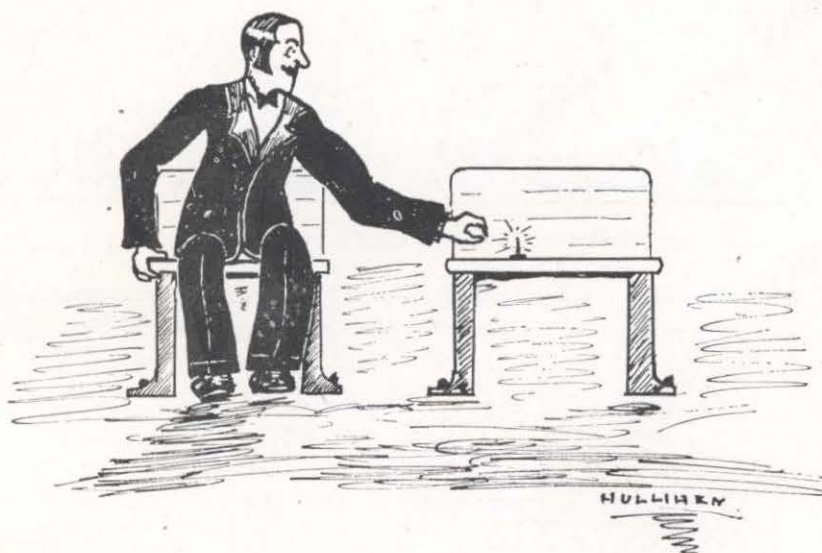

The next Fall found us Sophomores and aroused with the same enthusiasm initiated the previous year. Having overcome all our bashfulness we immediately set forth to accomplish the task before us. Our boys at once began to show up in athletics and the girls made a good record in music. Although we were usually engaged in mental gymnastics we took a day off occasionally for leisure. We had a party in the gym and at the end of the year had a big picnic at Camp Sheldon. The canoeing, tennis, baseball game and such forms of amusement all aided in making this day a memorable one to us all. So ended another year in our history.

When Juniors we had a new and entirely different view of what high school spirit should be. Our vision was enlarged, and the seriousness of life had thrust itself upon us. The school's ideals were our ideals and her interests were placed first in all our considerations. We had had our two years of play and were now to execute those duties which would bring glory to us and our school. We were proud to claim twelve football stars, four basketball players, three members of the orchestra, a member of the debating team, and eight members of the Glee Club. Our track team competed with the three remaining classes of the school and won an overwhelming victory, which thus early proved our superiority. It was in this year when members of our class brought honors to the school in state contests. All through the year our athletics bestowed more honors on the school than ever before known, and won state renown. Is not this recognition a proof of our worth and did it not make D. C. H. S. a school to be proud of?

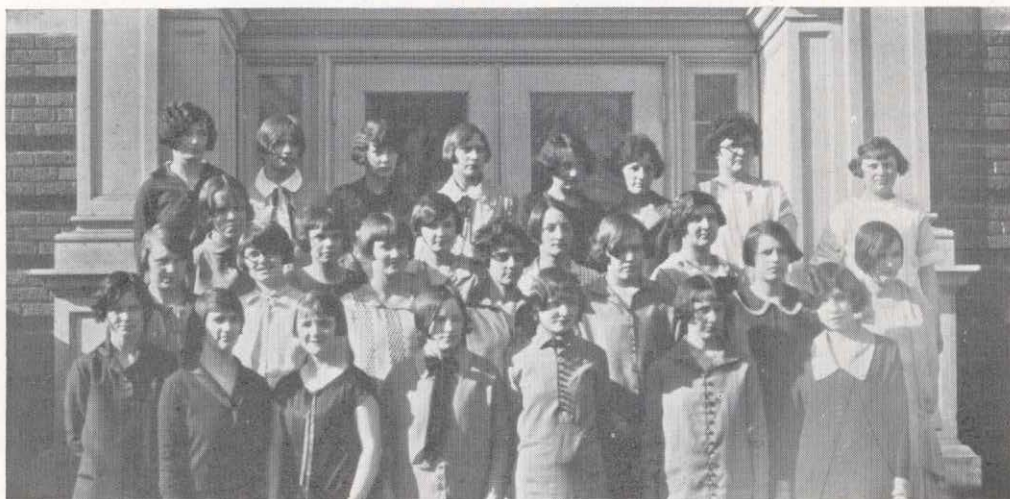

We are now Seniors and are nearing the end of our high school life. How swiftly these four years have passed! Now that we have come to the end of our sojourn here, it is with pleasure that we look back upon these four years of enjoyment and accomplishment. Not only have we entered fully into the social life of the school, which after all, is an important part, but we also have members who are recognized for their abilities along various other lines. Since this has been an especially victorious year for David City High we are especially proud of the athletic reputation of the members of our class. We also have members who will be remembered for the part they have played in dramatics and music. If we have made this school any better since the day we entered it, and have raised any of its standards and ideals, we shall feel our aim has not been in vain. Although we are about to part forever from this dear old school, we hope to go on through life still bringing honor to the crimson and the black through our attainments in the world.

—HELEN G. MANNING.

### History of the Junior Class

If you, O Juniors, will look ahead, I will throw upon that white screen before you pictures of the past—fond memories and recollections. These were taken at various times from the years nineteen hundred and twenty-three and nineteen hundred and twenty-six, in the immediate vicinity of the David City High School.

Ready—the first scene:

There are about seventy boys and girls mounting the steps of a school, with beaming faces and merry laughter. You can just bet they think it is going to be easy.

After they entered David City Hi they were labled "Freshmen." Perhaps in experience they were inferior to the upper classmen, but in numbers they were supreme. If first impressions were lasting there would be no famous class of '27, but they clung fast and now they are what they are—Juniors.

Soon the first class meeting was held and the following were elected officers: Herman Ball, president; Mary Alice Eiting, vice-president; Elmer Faytinger, secretary and treasurer. Once, in despair, Mr. Ritchie said they were the most untamable class he had ever met.

Considering the fact that this class was so far superior to any other freshman class, they were exempt from the usual initiation.

# 19 THE SCOUT 26

One big social event was their first class party. All had a good time and regretted "lights out" time.

The stretch of the first eighteen weeks seemed indefinite, altho it did have many bright spots—then came a terrible "spectre" which they called semester exams. It seemed to haunt the Freshmen. But by much hard work, bluff, or unveiled natural talent they managed to survive.

In the spring was another never-to-be-forgotten party at Harold Bock's. Oh that mud! The Freshmen career was ended with a bang—a picnic near the Schuyler bridge.

Ready—second scene:

The following year they were branded "Sophomores" with full knowledge that they would be regarded other than as a source of amusement.

Class elections were held, those chosen to guide the class through its activities were: Lillian Faytinger, president; Murray Roper, vice-president, Lyle Allen, secretary and Louis Brochtrup, treasurer. Second semester Ival Howard was elected president; Irene Talbot, vice-president; Walter Peschek, secretary and Merle Morgan, treasurer.

It was a sophisticated class of Sophomores, sure and steady. They ranked high in mentality in athletics and in music.

The social events of the class were the best ever. First semester they enjoyed a weiner roast at Casement's. A huge bonfire was the event of the evening. The second semester a party was given at Grace Haney's, near Rising. After the final exams they had a picnic at Seward. Return trip was big service for the Burlington.

Ready—the third scene:

The Juniors, there they are—not quite so youthful looking as formerly. Of course they are youthful, just naturally are, but you know what I mean—just a wee bit older.

The Juniors of this year number somewhere in the sixties and are absolutely essential to the success of the school. But why are the present Juniors so important? It is because they contribute to all branches of school activity, in athletics they are indispensable. Three of their famous athletes are captains: football captain-elect, Fritz Hahn; basketball captain-elect, Rusty Faytinger and track captain, Herman Ball. No victory could have been won without the Junior contribution. Mentally they average the highest, having the most names on the honor roll for high grades.

The officers of this famous class are: Charles Jonas, president; Jerome Pokorney, vice-president; Grace Casement, secretary and Herman Ball, treasurer.

The record of being the first class each year to have a class party is claimed by the Juniors. This year was no exception. The big day was December the eleventh. Nuf Sed!

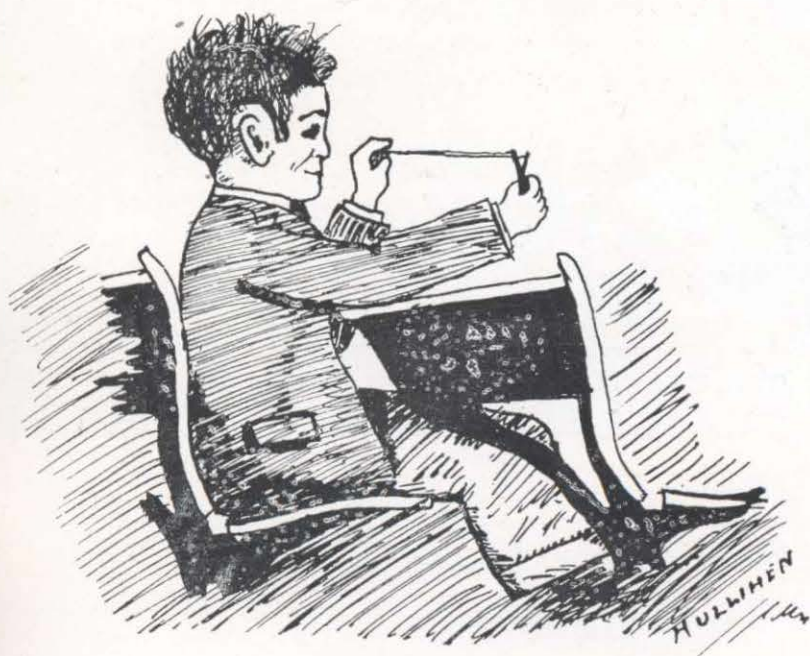

The class has been especially active this year. They sponsored a show, "The Keeper of the Bees" and sold candy at basketball games to raise funds for the Junior-Senior Banquet, which they hope will be the biggest and the best ever.

### Sophomores

The present remarkable class of Sophomores entered David City High School in 1924. They held a class meeting and elected the following officers for the first semester.

John Manning, President; Harold Hinds, Vice-President; Helen Beierle, Secretary; Perry Platz, Treasurer.

Early in the year they had a party at the home of Irene Hasik. They had a fine time climbing barbed wire fences and wandering about the green fields. Their class officers for the second semester were:

Mary Phillips, President; Harold Hinds, Vice-President; Perry Platz, Secretary; John Manning, Treasurer.

As Freshmen they distinguished themselves in many ways and proved their class to be one of the best ever entering David City High School. Two men, Harold Hinds and John Manning, made their letters in the Freshman year an accomplishment of which few David City High School classes can boast. They had many students of such high standing that the High School is justly proud of them. Their second party was held in

# 19 THE SCOUT 26

the gymnasium where the members of the class had a chance to become better acquainted with each other. The boys, especially had a difficult journey home for there were many upper-classmen anxious to give them a nice car ride. It was during this time that many of the boys took advantage of their chance for free rides and in doing so established some of the highest records of the High School for long night walks. (More honors for their class.)

Towards the end of the year they decided on having a party at Seward. They started on a nice clear morning but after they arrived a storm came up. Being green, they knew no better than to jump into the swimming pool though already drenched by the rain. Soon they started for home in a truck but another shower caught them and they had to get out in the mud and push. When they reached home they could scarcely be recognized.

This year they met again, as Sophomores. All of their greenness had been washed off along with the mud collected between David City and Seward. They held a class meeting and elected for officers:

|                   |                |
|-------------------|----------------|
| Harold Hinds      | President      |
| Bobbie Rhodes     | Vice-President |
| William Daugherty | Secretary      |
| Perry Platz       | Treasurer      |

John Manning, student manager, was chosen from our class. To help in drawing up a constitution for the Student Council they selected Elizabeth Burdick and Charles McCracken. Bobbie Rhodes and Perry Platz were chosen to represent their class in the Student Council.

They have a large representation in the Glee Clubs, Dramatics and Orchestra.

They held their first party of this year in the gymnasium. William Daugherty, alais Patrick Henry, winner of the Oratorical division in the Declamatory Contest, read the class prophecy which was very humorous and clever.

In athletics they have improved wonderfully since last year, and show bright prospects for the future. They elected Harold Hinds captain of their track team. He was a good half-miler last year and has developed remarkably since then. Probably he gained his ability by his experience in the long night walks mentioned before. And since the present "Freshies" unfortunately weren't favored with such experience they were hopelessly drubbed in the Freshman-Sophomore Track meet allowing the Sophomores to run away with nearly every event. Though the present Sophomores were green as "Freshies" at least they can be assured that they were not nearly as green as the present "Freshies." The Sophomores also put up a strong fight for the Interclass Track Trophy, so generously donated by Reverend Rose, and since it is to be contested for several years they are to have their names on it very soon.

For the second semester they elected as officers:

|                     |                |
|---------------------|----------------|
| Harold Hinds        | President      |
| Bobbie Rhodes       | Vice-President |
| Gilbert Schweser    | Secretary      |
| Margaret Ann Stoops | Treasurer      |

They won many honors as Freshmen, are a better bunch this year than last and are getting better all the time. Just watch the Class of '28.

## The Freshmen

The Freshman may seem very foolish  
 To the world in it's ruling might,  
 But the Freshman is building a mind and a strength  
 That will help him win the fight.  
 He is building a will that will never fail,  
 A heart straightforward and true;  
 He is building a hand that will never quail  
 At a task he is asked to do.  
 The World would never sit and laugh  
 If they'd count on one by one—  
 The great men of the world today  
 Who were Freshmen once—and won.

JOHN D. ZEILINGER, '29.

## Freshman Class History

By John D. Zeilinger

On September seventh, nineteen hundred and twenty-five, the year of our Lord, some seventy-five children were enrolled in the Freshman class.

A class meeting was held and the following class officials were elected for the first semester:

John D. Zeilinger, President

Glen Macoy, Vice-President

Ivan Lichliter, Sec. and Treas.

This year instead of the regular "hazing" done by the upper classmen it was decided that an "Olympics" would be held between the Sophomores and the Freshmen, such practice to be continued if it proves a success. Practically the whole school turned out to watch, as they thought, the Freshies get walked on. But we showed what we had in us and beat the Sophies some fifty points.

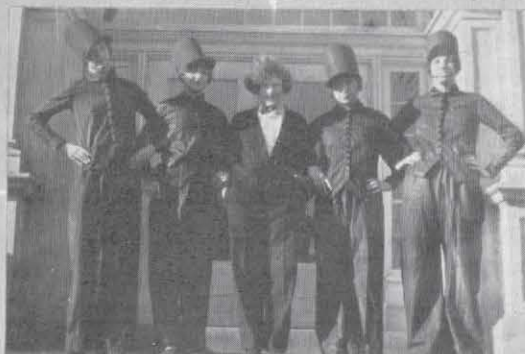

A Freshmen-Sophomore Dual Meet is to be held every Spring in connection with Freshmen-Sophomore rivalry. The events included in this meet will be the same as in a regular meet between two schools. This plan of having the Freshmen and Sophomores get together will do away with the Freshmen "hazing" which has caused a lot of trouble in past years. In all ways it is a progressive movement in the school and should be encouraged by every one that has the welfare of the school at heart.

We had as our sponsors, Miss Calhoun, Miss Schoppel and Mr. Walter Monia and their efforts to neutralize our greenness and to make our parties a success was greatly appreciated.

In athletics we had no real notable outside of Tuffy Macoy who won his football letter and Gerald Branigan, Joseph Shramek and John Dean Zeilinger who played on the Mid-gets Basket Ball Team.

Near the end of the first semester a Freshmen party was held in the gym. Games were played during the first part of the evening. After dainty refreshments were served we had a short talk by Mr. Webb and also talks by Miss Calhoun, Miss Schoppel and Mr. Monia. The party was a great success because of the hard work of the sponsors, the vim of the committees and the real spirit shown by the class.

## My School Life

My school life in our D. C. High  
Has been a glorious one,  
Although of course there's been some work  
Mixed in among the fun.

And now as this life nears an end  
With pleasure I look back  
Reviewing each and every year—  
There's not a day that's black.

While still a freshman I recall  
The pranks I suffered from.  
But then I guess it all went in  
To help make up the fun.

Of my Sophomore and Junior years  
There's volumes I could say,  
But I must limit it to this—  
"A lot of work and play."

My Senior year, the best of all,  
It is as yet not ended.  
The future though looks very bright  
And the time that's past was splendid.

So here's to our dear D. C. High,  
The best of schools I know.  
And may the God of Heaven and Earth  
Ever keep it so.

AGNES GILLESPIE.

## CLASS PROPHECY

1942

Last evening as I was dining in the Garden De Luxe in Paris, my present home, I was agreeably surprised when I heard the announcement that De Lellis Francis and her pupils would favor us with a dancing recital.

Later in the evening when I talked over old times with her, she informed me that two of my old school mates, Irvin Moell and Pauline Fuller were also in Paris.

I ran across Pauline the next day in the court room where she was obtaining her ninth divorce as American marriage laws forbid more than three.

Irvin Moell, being the worlds most famous dramatist, was presenting his masterpiece, "Why Leaping Lena Leaped."

These visits gave me an inspiration to take a trip to look up my old school mates of the class of '26.

I went by way of Italy, and you can imagine my astonishment when walking down the streets of Naples I found Joey Otoupalik grinding and singing, "Yes, We Have No Bananas." I noticed his monkey near by was called "Tek" named after his former sweetheart.

Dropping into New York about a day later I picked up a newspaper and searched for some clue of my friends.

I noticed that Edward Dworak seemed much talked of and reading on I saw that he was doing great work in the slums. I always thought Ed had a soft heart for the unfortunate.

There happened to be a big football game on that I went to in the afternoon and to my astonishment Buck Ficke was playing (I think it was sway back.) He was known as "Red Grange the Second." Helen Manning was leading the yells with all of the pep of her former days. Of course Helen couldn't possibly lack pep when her little Bernie was dressed like she liked him best.

Every hotel in the city being filled I resorted to one on the outskirts of the city. When the landlady answered the doorbell who should it be but my old school mate Alyce Peters. She said that I might be interested to know that she had married Aubrey Becker our old football hero. I found out later to my amusement that he thought he would rather marry his landlady than pay the bill.

The next morning I started out bright and early and as I was walking along taking deep breaths of fresh invigorating air I met Neil Johnson dressed in womens clothes. I said "Why Neil, what on earth are you doing in that feminine costume?" He answered, "Well I need a haircut and this is the only way I shall get into the crowded barber shop."

While in Omaha I saw in the newspaper that Norville Kirby, alais Frank Carter, alais Colonel Landin was arrested for selling rotten apples without a license.

I found Helen Prohaska and Anton Proskovec were leading an expedition tour in the Bohemian Alps which I was abliged to pass thru on my way to David City. I had a fine talk with them and they showed me all the wonders of the scenery in which they had the privilege of working.

# 19 THE SCOUT 26

It certainly seemed fine to set foot in my old home town once more. David City did look pretty good.

That evening I attended the movies at the old Community Theatre where I enjoyed the privilege of seeing Dorothy Moran act in, "Two are Sweeter Than One."

I was more than pleased to meet Mr. and Mrs. Lichliter there. They told me they had kept up their youthful ambition of attending regularly the Saturday night movies but for various reasons they found the expense much greater than before.

Frances Glover had acquired fame in writing for the Fizzletown newspaper column on "Advice to the Lovelorn," with Dale Howe managing editor.

I saw bills posted around town which said that Donald Lanspa, a baritone opera singer would be here soon with a group of chorus girls including Margaret Downey, Marie Fadschild, Blanche Thomas and Grace Gue. I was glad for the chance I would have to renew acquaintances.

On Monday morning I visited the High School and can you imagine how I felt when I was confronted with Superintendent Frank Myers. I learned that all the girls were greatly in love with his hair.

That evening Trotters held a style show which I attended. Agnes Gillespie was the leading fashion model.

David City, I was told, had wonderful art galleries and being greatly interested I attended and was proud to find Miss Imogene Dworak, after a heart breaking love affair with Dale Buckley, had given her life to art and contributed many beautiful statues of great skill.

One of the greatest surprises I had on my trip was that Thelma Macoy had become the leader of the suffragettes and was doing splendid work in keeping boys of the town from the temptations and sin so prevalent today.

Tuesday Philips and Bailey Circus, better known as Barnum and Bailey came to town. I noticed the advertisements boosted some of my old schoolmates so I went to the circus. I saw James Albright leading the Old Brass Band. On the other side of the grounds I saw Cecil McCracken strenuously advocating the merits of his famous side show "The Six Legged Man." Johnny Birkel proved to be the "Six Legged Man" though where he collected the other four legs I'm sure that I don't know.

Stepping inside the Big Tent I saw Phil Schlentz feeding peanuts and hay to the elephants and incidentally partaking of those eatables himself when he became hungry.

And say in the last performance of the Big circus I witnessed the hair raising accomplishment of Helen Fouts who was performing with the vicious tigers which she tamed with the use of her famous eyes.

I succeeded in seeing almost all of my old class mates before I returned to my home in Paris and I know I will never regret the trip. After reaching home I wrote down these experiences which I have just read to you.

## Those School Days

Your school days, my lad, are your happiest days,  
Appreciate and enjoy them while they are here.  
Now is the time you are carefree, my lad,  
Now are the days of freedom and cheer  
Life is now in a promising sphere.

I know, my lad, that you can't understand,  
Why the days of the school are the best,  
But I have lived them; and could I live them again,  
I would gladly give up the rest.

Yes, my lad, when I walked up the winding path,  
By the creek past the whirling pool.  
As I passed around the bend, I also saw,  
Things of the future, not of the school.

But now the future I longed for has passed,  
And holds no more charm for me  
But the days of the school—just memories now  
Have lasting charm for me.

The future you wish for now, my lad,  
Is not all sunshine,—cloudless and fair  
As are the days you live now in school  
The days without sorrow or care.

So all I can say to you now, my lad,  
Is that you make this your golden rule:  
Be happy and content with the life you live now  
The days in the realm of the school

—IRVIN MOELL.

## CLASS WILL

We, the members of the class of 1926, of the David City High School, in solemn conclave assembled, being still in our right minds (final exam day being as yet but a shadow in our horizon) and in possession of all of our senses, being cognizant and the briefness and uncertainty of our existence, being unwilling to shuffle off this mortal coil without assuming the proper bestowal of our invaluable goods and chattels, and being anxious for a peaceful concord among the lower classes after we have passed into the realms of tradition do, hereby make, sign and seal this our last will and testament.

1. To Grace Casement, Pauline Fuller leaves Cecil McCracken.
2. To Hazel McElravy, Thelma Macoy leaves her curling iron.
3. Florence Seiverding would hand down to Ivan Howe her gum and her giggles, fearing that to remove them from High School atmosphere would be fatal to their efficiency.
4. Buck and Aubrey's football ability we leave to Joe Shramek and George Burgess.
5. To Snitzel Hahn, Fat Phillips leaves his over-confidence in himself.
6. To Harold Hinds, we leave Helen Fouts' winning smile.
7. To Phylis Pippin, is left Vera Zeilingers sedateness.
8. Ed. Dworak leaves Bobbie Rhodes to Eddie Korinek provided he will return her in a reasonable amount of time.
9. Frank leaves a bottle of his best hair groom to Fritz Litty, to be used to the best advantage.
10. To Louise Eller and Charles, little brother, Lucile Harper leaves all of Charlie's and her quarrels, and that delightful sensation of making up.
11. We leave Irvin Moell's frivolity to Herman Ball.
12. Loran Randolph's dancing ability we leave to Jerome Pokorney.
13. To Grace Haney and John Manning, DeLellis leaves all the paper used by Merle and her in writing notes.
14. To Miss Monia, Phil Schlentz leaves his extra accumulation of mercury.
15. To Mary Phillips, we leave Marie Fadschild's gentle voice and blushing modesty.
16. John Birkel's Ford, we leave to Raymer Blackstone.
17. We leave Jim Albright's number twelve shoes to Malvin Fadschild.
18. Anton Proskovec's commercial arithmetic book is left to Winfield Scott.
19. Leonard Modlin's pull with Ritchey, we leave to Anthony Supancheck.
20. Merle Stone's curly hair we leave to Charlie Jonas.
21. To Nadine Smith, Edith Treadway leaves her common sense.
22. Joe Otoupalik's driving ability and his faithful care of his car we leave to Tuffy Macoy.
22. Eloine Baliey's application to study is to be divided equally between Joe Ficke and Harold Mellinger.
23. We leave to Lucile Kasperek, Bernice Haney's crave for dancing.
24. To Murray Roper, we leave Dale Buckley's modesty.
25. Norval Kirby leaves his shiekish actions to Gilbert Schweser.
26. Henry Schulz' stature, we leave to Pat Daugherty.
27. Margaret and Stuart leave their undying affection and sympathetic understanding of each other to June Hinds and Elmer Faytinger.
28. To Blanche McCracken, we leave Tekla Osantowski's and Alyce Peter's cosmetics.
29. Frances Glover's graceful stride, is left to Marian Becker.
30. Charlie Gue's choice of words, we leave to Miss Schoppell.

# 19 THE SCOUT 26

31. Ruth Kitchens permanent wave is left to Isabelle Drawbaugh.
32. Margaret Downey leaves her diamond ring to Harold Bock provided that he present it to Violet Smith at the age of twenty-one.
33. Fat Lanspa's bass voice, we leave to John Tomek.
34. To Dorothy Hahn, Pearl Eschliman's class and style.
35. Marjorie Smith's melodious laugh we leave to Ruth Fuller.
36. Grace Gue's soprano voice is left to Margaret Doty.
37. Dorothy Moran's red hair, we leave to Mr. Monia.
38. Helen Jelinek's vast knowledge of the French language we leave to Angela Ficke.
39. Fay Hewitt's palm-olive complexion is left to Margaret Eiting.
40. To John Dean Zeilinger, Blanche Barta leaves her million-dollar smile.
41. Florence Cornue's and Maud Minnicks normal training ability we leave to Charles McCracken and Lucy Kunert.
42. Veronica Supenchecks sweet disposition we leave to Miss Sandstead.
43. We leave Dean Wrede's billiard ability to O. W. Ritchey provided he waits until he is of age before using it.
44. Ardilla Harris' height we leave to Leo DeLaney.
45. Blanche Thomas' bone-rimmed specks we leave to Art Anderson.
46. Imogene's unselfishness in giving up the car to Ed is left to Carl Wrede.
47. Esther Bonne's love for the beautiful, we leave to Butch Machurek.
48. Blanche Molvec's thrilling and romantic adventures we leave to Evelyn Blackstone.
49. To Lewis Hullihen, we leave Barbara Kracman's squeaking shoes.
50. To Marie Sabata we leave Agnes Gillespie's vamping intentions.
51. Maud Winter's early morning walks to school are left to any Freshman who wants training for track.
52. Mike Johnson leaves his Basketball training to be used to the best advantage among the midgets.
53. Lorena Platz's numerous study room slips, we leave to Walter Peschek.
54. Hilda Gocken's fair complexion is left to Jasper Jacobs.
55. To the Freshmen we leave our good common sense, good reputation, also our shattered books to be used as autograph albums.
56. To the Sophomores, we leave our surplus "pep," frivolous ideas, and our class spirit, knowing that they need them sorely.
57. To the Juniors, we leave our extra credits, American history outlines, and our ever-abiding love for David City High.
58. To the faculty we would leave the roses that have fled from our cheeks since we first entered High School, the smooth brows which four years of unremitting toil at their behest have made us exchange for the furrowed ones we bear away, the golden locks which have been replaced by grey, all these, and our regards, we leave to the faculty with the hope that they may be revived and rejuvenated by our bequest. To the Faculty, also, we would leave several tons of good advice which we have jointly and individually collected since 1922; we are positive that this advice is perfectly good and unharmed by use.

We appoint as administrators to this Will, our staunch friends Miss Howard, Mr. Ritchey and Miss Sandstead, begging them to be tireless and unceasing in their efforts to see that all our herein mentioned treasures be faithfully transmitted to their proper recipients.

Signed this day of Grace, May 1st. SENIOR CLASS OF 1926.

Witnesses: Mr. Webb, DeLellis Shramek and Helen Manning.

## "What Happened to Jones"

Presented By

Senior Class of David City High School

At The

Community Theatre

May 17-18, 1926

A three act comedy by George H. Broadhurst, rich in plot and character portrayal.

Jones, who travels for a hymnbook house and sells playing cards on the side, is among the audience at the prize fight, which is broken up by the police. He escapes and crawls into the house of Ebenezer Goodly who was also present at the prize fight. Here he assumes the title the Bishop of Ballarat who is expected to arrive soon. With this title he immediately steps into the position as supposed sweetheart and dear uncle. The real position of Jones becomes known when the original bishop taken for an insane asylum inmate, finally clears up the mystery surrounding him.

There are many clever occurrences and humor abounds throughout the play.

The cast is as follows:

|                       |                    |
|-----------------------|--------------------|

## HIGH SCHOOL CALENDAR

### SEPTEMBER

- Sept. 7. Halls splashed with green. (Freshmen arrive).  
Sept. 10. Great commotion! Teachers assign seats! Such dwellings!  
Sept. 17. First Chapel-Imitation of teachers! Improvements in their characters already noticed.  
Sept. 18. Olympics! Rah for the Sophomores.  
Sept. 23. Fair wrecks school! Almost too good to be true.  
Sept. 30. Waterloo? Oh no! Just class election.

### OCTOBER

- October 2. Great fall in price of bacon. (Supply brought home from Stanton).  
Oct. 8. First snow. What bad luck next?  
Oct. 13. Tests! There's that luck.  
Oct. 22. Unanimous vote for Student Council. We hope they find some way of keeping golaches with their rightful owners.  
Oct. 24. Darkness reigns. The only defeat of the season!  
Oct. 27. Anxiety in the hearts of all. Mrs. Ritchey has diptheria.

### NOVEMBER

- Nov. 2. Vacation! Teachers gone to convention. Thank you!  
Nov. 11. Three cheers for the Red, White and Blue!  
Nov. 13. Friday, the thirteenth gives us no chills! Wahoo, defeated!  
Nov. 15. Murray Roper has scarlet fever! Irene completes High School colors by wearing black.  
Nov. 18. Suicide Specialist! Such lessons.  
Nov. 25. Thanksgiving vacation! Thankful that six weeks tests are over.

### DECEMBER

- Dec. 10. Junior class party! Mr. Landin shows his ability at running.  
Dec. 14. All-State team picked! David City isn't left out.  
Dec. 16. First basket ball game! David City 22—Schuyler 10.  
Dec. 17. Great speeches! (Awarding of football letters).  
Dec. 18. Last day of school for two weeks! Ed Dworak has great expectations of seeing Santa Claus.

### JANUARY

- Jan. 7. Silence during sixth periods except for the blood vibrations on Harold Hind's face. Ed Dworak threw him an egg and Mr. Ritchey (with his back turned) was only two seats away.  
Jan. 12. Registration. All of the Seniors are trying to get by with two solids, but Mr. Ritchey has a mind of his own.  
Jan. 13. John Manning has quite a time keeping his vertebrae in place. Basket ball practice has bad effects on him. Ask John about it.  
Jan. 19. Speech on "Throwing darts." They "harm the assembly curtain" and may necessitate an eye doctor. (John Manning has to pick them out of the curtain after school).  
Jan. 20. Bump! Bump! Whats that? Oh nothing—just Helen Manning falling down the steps! Why didn't you catch her Buck?

# 19 THE SCOUT 26

- Jan 21. Oh! These tests! Some day we will "strike" and refuse to take them—so beware.  
Jan. 25. Rah! Rah! Half of school over! Lets celebrate.  
Jan. 26. Was that singing I heard? The Glee Club puts on an opperetta.  
Jan. 28. "Dad can you write your name with your eyes closed?" Yes we got our report cards today.

## FEBRUARY

- Febr. 2. The Ground Hog didn't see his shadow—we are all looking forward to good weather.  
Febr. 4. Fat Philips sat down on the floor today—rather stumbled.  
Febr. 10. Mr. Elliott is sick.  
Febr. 12. Mr. Landin not to be outdone gets sick—but—always thoughtful assigns lessons ahead.  
Febr. 18. Miss Calhoun and Miss Sandstead sick. We are sorry they are sick but we do like the idea of having no classes—we're only human.  
Febr. 22. All the teachers are back again—making up for lost time. Why take it out on us??  
Febr. 22. Bright spots of red appear upon the horizon. The boys invest in new red sweaters. Look out girls. We're dangerous.  
Febr. 25. Are those bibs? No, merely ties, the boys must have their fun.  
Febr. 26. What is this—Kindergarten? The girls try to out do the boys in dressing—and they carried off the highest honors! Oh! Those hair ribbons!

## MARCH

- Rah! Rah! Boys leave for Fremont to attend Midland tournament—Win Gang—Win!  
Mar. 6. We go to see the chickens at the poultry train. Some chickens!  
Mar. 10. Are we it? Well I guess! The team is off to Lincoln for the State Tournament.  
Mar. 11. The assembly looks rather vacant with everyone at the game. And just listen to this, we beat Falls City. Oh—Rah, David!  
Mar. 16. The boys and Girls Glee Clubs practiced the operetta all day, and it was given in the evening. If you don't think it was good, just ask Mr. Elliot or Henry Schulz about it.  
Mar. 17. For once the Freshies greenness came in handy, they didn't have to wear green ribbon for St. Patrick's Day.  
Mar. 22. Even though it is just the second day of Spring, Spring fever is already quite notirable, or is it laziness?  
Mar. 24. We heard from our Captain-Elect of Basket Ball—and also from our track Captain—Elmer and Herman can make good speeches! Can't they?  
Mar. 25. Rev. and Mrs. Rose and Mr. Shirk supplied the Chapel program for us this morning. They have charge of the Revival meetings that are being held. Mr. Rose is presenting a cup to the winning class in the Inter-Class Track Meet. Thank you, Mr. Rose. It's a dandy.  
Mar. 26. Just see what we have here— a girls Base Ball team with Home-run Schoppel as coach. Good for you girls.  
Mar. 31. Why ruin the camera? The yell leaders have their pictures taken.

## APRIL

- April 1. Mr. Landin is getting careless. Snitzel Hahn didn't get a rewrite. Oh! That's right—today is April Fools day.
- April 7. Mr. Ritchey became quite nervous today when we were having Chapel program. He began looking at his watch and opening the doors. What's the matter Mr. Ritchey, we're enjoying it—We could sit here another hour. (That's what Lillian says.)
- April 9. Declamatory Contest. We ran away with two first and two thirds—Frank certainly did have a lot of competition, but carried off the honors any way.
- April 10. Big fight between "Steam Roller" Otoupalik and "Trip Hammer" Fadschild postponed.
- April 16. Track team goes to York. Yo! Ho! York—surprise! David City 73, York 49.
- April 21. Cecil and Fat resurrect shirts in Schwesers store room! It pays to advertise.

## The Junior-Senior Banquet

The banquet in honor of the Seniors was put on in the Methodist Church basement instead of in the High School Gym as heretofore. The decorations carried out were with the colors of the Senior Class, Blue and Gold.

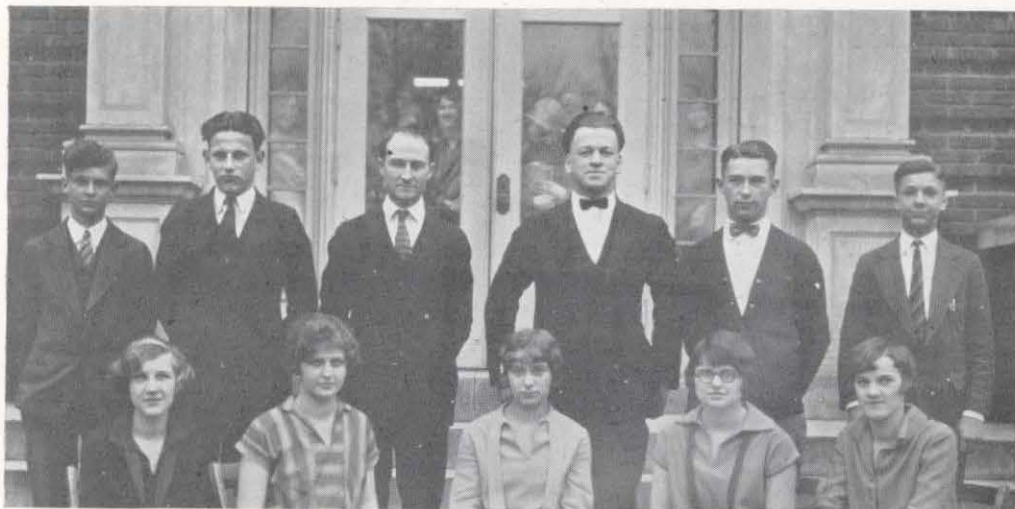

A Maypole and streamers was the feature beauty on the horizon. The toasts were all related to the Maypole, that is some of them were.

The program was as follows:

|                          |  |
|--------------------------|--|
| Welcome .....            | Charles Jonas  |

## The Student Council

The Student Council of the David City High school is made up of eleven members. The 9th and 10th grades are each represented by two members, a girl and a boy. The Junior class is represented by three members, one of which, a girl must be Vice-President. The Senior class is also represented by three members, one of which, a boy, must be President.

This is the first year in the last four years that the students of the High School have been represented by a student body. The Council has proved to be a success and hopes for a permanent Council are believed to be assured.

The Council has put on many wonderful chapel programs, which alone proved its worth. Further it passed on school discipline and continually accomplished things for the good of the school.

Donald Phillips, President.  
Frank Myers, Secretary.

June Hinds, Vice-President.  
Perry Platz, Treasurer.

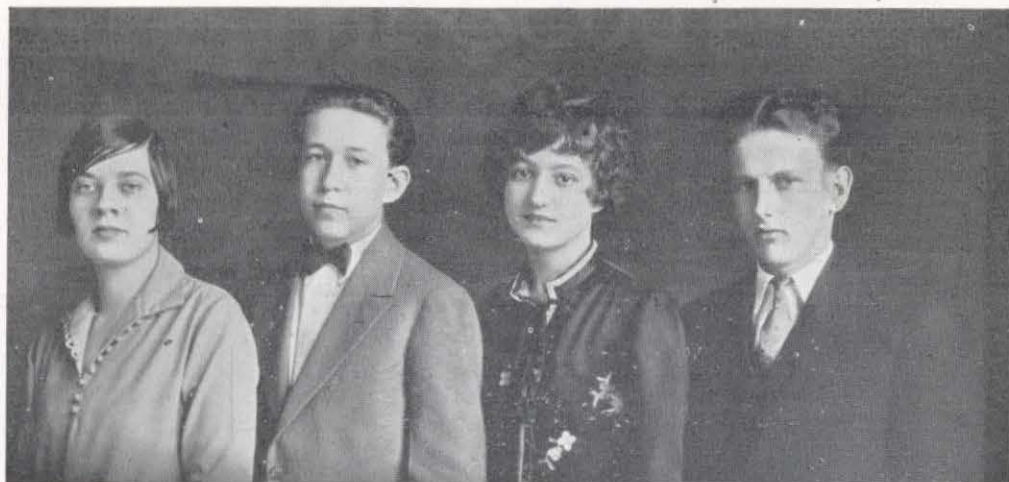

Top Row:—Platz, Roper, Moell

## DRAMATICS

### Declamatory

Dramatics has progressed by leaps and bounds this year. David City entered the State Declamatory Contests this year for the first time in many years. Interest over these contests was great among those in the Dramatic classes. Miss Sandstead gave unsparingly of her time and it was due to her wonderful work with those participating that success was attained. Those taking part in the local contest were:

#### ORATORICAL

# 19 THE SCOUT 26

These four winners took part in the Sub-District held at David City April 9. They placed as follows:

Oratorical, William Daugherty, 3rd.

Dramatic, DeLellis Shramek, 1st.

Humorous, Marion Becker, 3rd.

Extemporaneous, Frank Myers, 1st.

In the District Meet at Omaha, April 16, De Lellis Shramek was placed 2nd in the Dramatic group and Frank Myers 2nd in the Extemporaneous Speaking.

Miss Sandstead also put on several fine plays as well as helping in the coaching of others.

One of these plays was "The Suicide Specialist" with a cast selected from the school as a whole. This play was abounding in originality and in character portrayal. It also contained a moral, "that it is foolish to let worry so control your thoughts that you are driven to the contemplation of foolish acts."

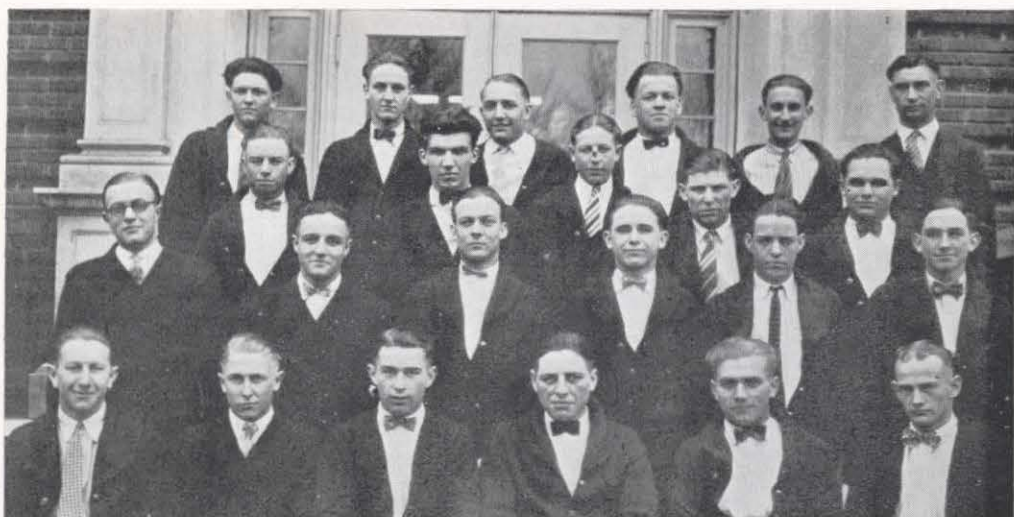

The cast of this play was as follows:

|                        |                   |
|------------------------|-------------------|
| Miss Randolph          | Arnola Judevine   |
| Marion Bedford         | Lucille Harper    |
| Dr. Milton             | Frank Myers       |
| Inspector Nolan        | Wm. Daugherty     |
| Prof. Summer Mansfield | Irvin Moell       |
| Clara Kingston         | Lillian Faytinger |
| Madame Natchi          | Dorothy Moran     |
| Fannie Falmouth        | Pearl Eschliman   |
| Lila Beverly           | Josephine Varin   |
| Ralph Norwell          | John Manning      |
| Robert Wareham         | Joe Otoupalik     |

"Suppressed Desires" by Susan Glaspell was given at a meeting of the Woman's Club, at the Commercial Club and as a Chapel Program. Three students in the second year Dramatic class make up the cast, they are:

Vivenna Lunsford, De Lellis Shramek and Murray Roper.

Miss Sandstead was also instrumental in the success of the operetta "Hulda of Hol-land" and the operetta "The Lost Necklace."

## The D. C. Club

The D. C. Club is an organization for athletic lettermen, which was organized at D. C. H. S. this year. The purpose of this club is to promote better fellowship among the students, to promote and sponsor better and cleaner athletics in this High School and to afford a good and clean time to its members.

The original charter members are twenty-two in number. The first officers are Donald Phillips, President; Murray Roper, Vice-President, Bernard Ficke, Secretary and Treasurer.

The club will help in the Freshman-Sophomore Olympics and the members who do not participate will act as officials and policemen at the various athletic contests.

The coach and the assistant coach are honorary members of the club and sponsors.

## *Boys Glee Club*

This year for the first time the David City High School came forward with a Boys Glee Club. This club was organized and efficiently directed by Miss Howard. It has proved a success and it is expected that in a few years it will equal the Girls Glee Club in popularity and ability.

The Boys Glee Club combined with the Girls Glee Club in presenting the operetta "Hulda of Holland" which proved to be a wonderful success.

It is hoped that next year even greater interest will be shown in this organization and that we may have a still larger and better Club.

Top Row:—Peschek, Becker, Birkel, Howard, Roper, Schweser, P. Platz  
 Second Row:—Otoupalik, Birkel, Bailey  
 Third Row:—L. Platz, V. Smith, Smersh, Moell, Sabata, M. Smith, Dworak

## Orchestra

The High School Orchestra is an organization which has made a good account of itself this year. Miss Alice Howard is their efficient Director. The Class of Music which had been offered to the school by the orchestra has been of the best and we are very proud of their musical achievements.

The Orchestra Members are as follows:

Piano, Eloine Bailey; Violins, Lorena Platz, Violet Smith, Pansy Smersh, Irvin Moell, Marie Sabata, Marie Smith, Imogene Dworak, Joe Otoupalik and Alfred Birkel; Flute, Perry Platz; Clarinets, Murray Roper, Gilbert Schweser; Cornets, Walter Peschek; Saxophone, Aubrey Becker; Trombone, John Birkel.

The Orchestra played on May 4, during Music Week, and for the operetta "The Lost Necklace." The orchestra also played at the Firemen's Banquet, and at the Senior Class Play.

Top Row:—Gillespie, Eiting, Beierle, Zeilinger, Harper, Manning Rhodes  
 Second Row:—Burdick, Dworak, M. Smith, Dety, Hasik, Talbot, Howe  
 Third Row:—Treadway, Stoops, Shramek, Mcran, Hahn, Becker, Faytinger  
 Fourth Row:—Haney, Phillips, Ficke, Miss Howard, Kasperek, Fouts, Walling

## Girls Glee Club

To Miss Alice Howard credit is largely due for the wonderful success achieved by the Girls Glee Club. The girls themselves have been very faithful and have made a good showing on all occasions.

Armistice Day they sang before the public in the Community Theatre, and in May during music week they gave a cantata "Three Springs" on the school program.

Two operettas were put on throughout the year. "The Lost Necklace" and "Hulda Of Holland." "The Lost Necklace," strikingly Spanish with setting and costumes of Spain, was presented in January at the High School. Margaret, an American visiting Spain, and her friend Lola were mingling with some Gypsies when Margaret discovered her precious necklace had disappeared. She immediately accused the gypsies of the deed which made them very angry. After a search the Necklace was found among the vines and Margaret rejoiced. The gypsies forgave her sudden accusation and all became friends.

"Hulda of Holland" with the aid of the Boys Glee Club was featured at the Community Theatre, March 15. As the name will imply it portrayed Dutch life and costumes and proved to be a very big success.

## *"Hulda of Holland"*

A musical comedy "Hulda of Holland" was given by the combined Glee Clubs at the Community Theatre, March 16. It was directed by Miss Alice Howard and Miss Mildred Sandstead with Margaret Zeilinger pianist.

### *Cast of Characters*

Peter Cats, a descendant of the great Jacob Cats.....Irvin Moe!!  
 Jacob Hoogenbeets, Peter's neighbor and friend.....Donald Lanspa  
 Hulda, Peter's daughter .....Dorothy Moran  
 Kathrina, Jacob's daughter and Hulda's friend.....Helen Manning  
 Jerry Hayden, an American traveling abroad.....Donald Phillips  
 Vrow Cats, Peter's good wife .....Lillian Faytinger  
 Jan Steen, an artist from America .....John Manning  
 Jimmy Stone, an American Jerry's pal .....Murray Roper  
 Dirck, man of all work .....Raymer Blackstone  
 Adrian Steen, Jan's father from America .....Charles Jonas  
 Cornelius Heyden, Jerry's father .....Harold Hinds  
 A chorus of Villagers, Milk Maids, and Farm Hands.

The operetta was a marked success not only in an artistic sense but also in a financial way. Praise was heard from all sides and everyone appeared well pleased.

The windmill, Dutch house, and native costumes used, gave local color.

## GONE A CUPPING

Four years ago, if you'll recall,  
We did not have a cup at all.  
The book case top was surely bare  
Because we had no trophies there.

But now, if you will look that way,  
You'll see what's standing there today,  
And better still there's more to come,  
The County Tournament we've won.

With Becker, Lanspa, Scott and Ball,  
And Faytinger added to make them all,  
They went to Brainard, it surely seems,  
And there they won from the Class "A" Teams.

But the 2nd team said, "it's not enough,  
We'll show we've, also, got the stuff,"  
Mellinger, Manning, Korinek and Mike,  
With Branigan, too, made Bruno hike,  
In a game that was thrilling, nip and tuck,  
They won this beautiful Class "B" cup.

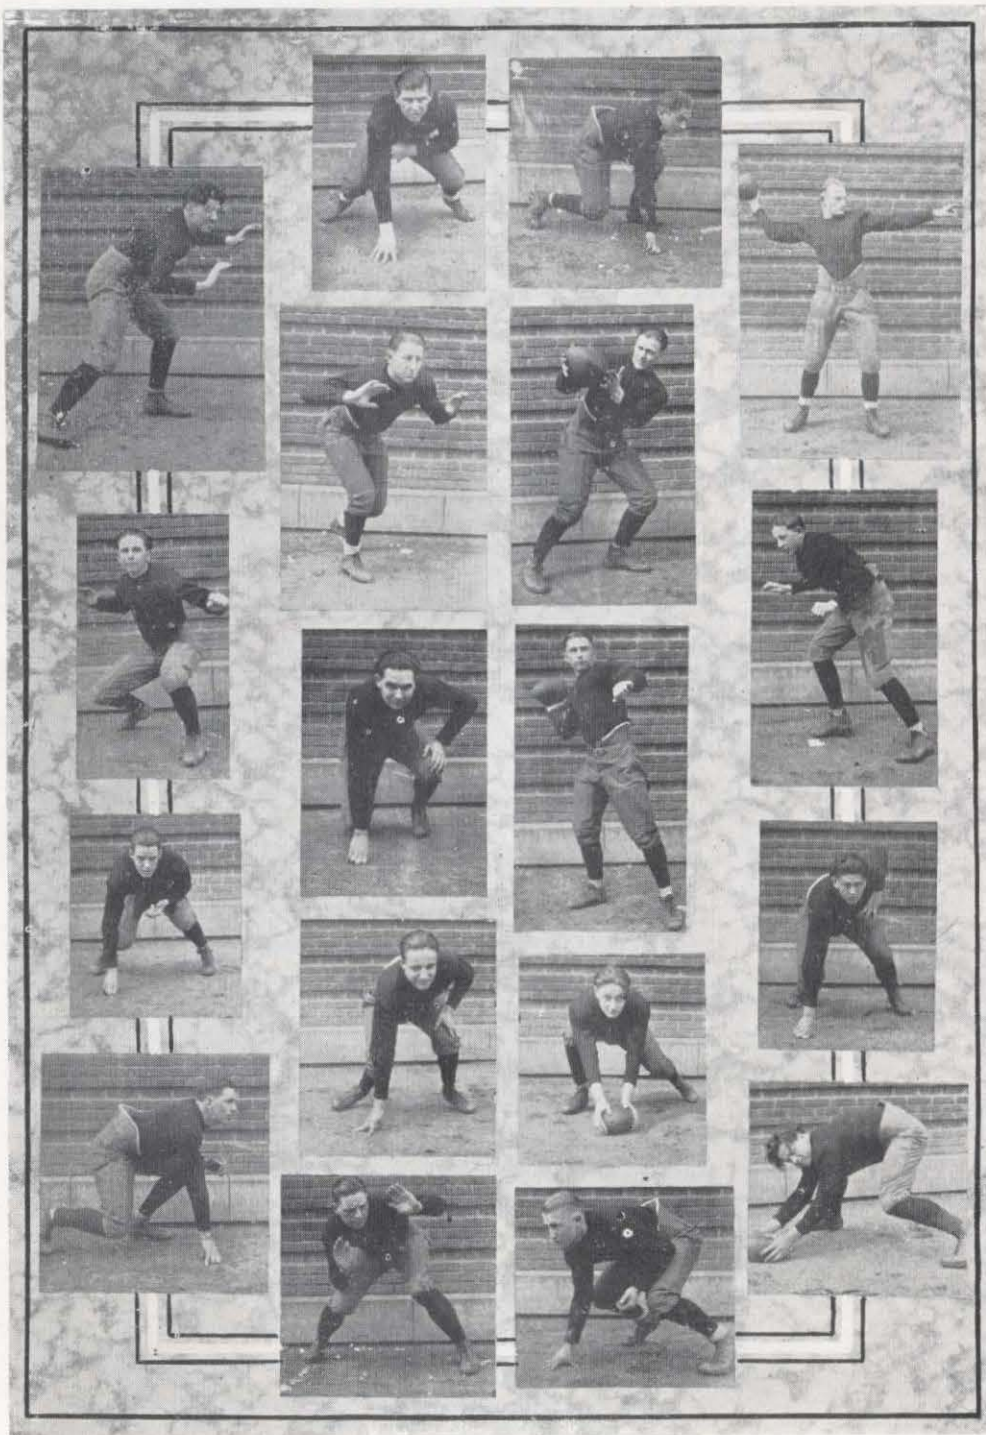

The Midgets, too, played a scrappy game,  
Though they lost, we love them just the same.  
To dry their tears and sweeten their woe,  
The lucky box of candy to them shall go.

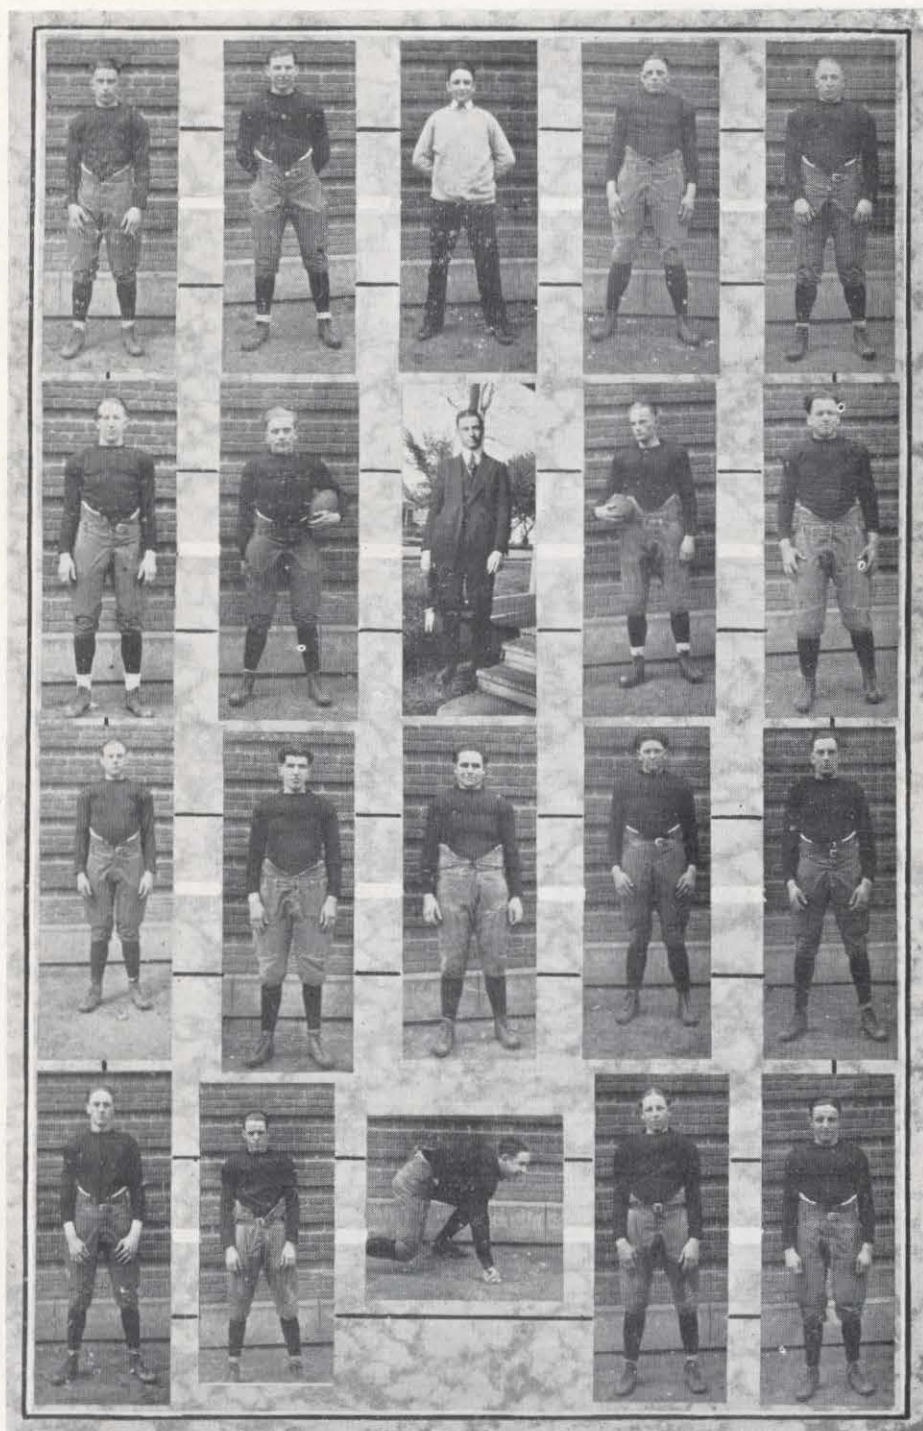

MR. and MRS. RITCHEY.

## PIGSKIN SQUEALS

David City began this years grid-iron history with a decisive victory over the Stromsburg eleven. The weight and experience of the local team gave them an easy 48 to 0 win.

After suffering defeat from Stanton two years in succession, David City turned the tables this year by giving them a 19 to 6 drubbing. The first half was scoreless, but early in the last half David fumbled on punt-formation and Stanton recovered for their only touchdown. The Red and Black refused to be beaten, however, and, mixing passes with off-tackle smashes, marched down the field for the tying touchdown. Two other long marches followed, each ending with the ball over the counting line.

The Columbus game was, beyond doubt, the hardest fought battle on the local field this year. The David City goal was never in danger during the game but the Discoverers are not the kind to give up easily. The visitors were unable to gain against the stone-wall defense of the David City line, while the Red and Black ball-luggers piled up a 14 to 0 victory.

The next game was more of a track meet, David City running up some 79 points. Geneva also ran.

With the help of Lady Luck and Old Man Weather, Central City ruined all championship hopes for the David City squad with a 26 to 7 defeat on the Central City field. Central City had not forgotten their dereat at the hands of David City the year before, when they also had championship aspirations.

In a rather listless game Ashland fell before the David City avalanche, the final score: Ashland 7, David City 36.

Remembering the 10 to 7 defeat from Wahoo last year, the David City squad entered Saunders county with revenge in their hearts. In the opening minutes of play, Wahoo fumbled on their own ten yard line—David City recovering for the first touchdown. The kick was good and David led with 7 points. However, Wahoo's defense tightened and the half ended with the score unchanged. Wahoo came back in the second half with a bag full of passes, only to have one intercepted for the Red and Black's second touchdown. With perfect interference, the backfield plunged and plowed through the Wahoo line for 3 more touchdowns, leaving the score: David City 33, Wahoo 0.

Ulysses next fell before Coach Elliott's machine although David failed to pile up the number of points expected. The final score: David City 27, Ulysses 0.

David City closed this year's football season with an easy 41 to 0 victory over the Seward eleven.

In the nine games played the Red and Black was humbled only once. In the nine games the home team piled up a total of 304 points to their opponents 39. Six of the nine teams failed to score. Four men were named on the All-State Honor Roll. And thus ended the season of the GREATEST TEAM DAVID CITY EVER HAD.

## COACH ELLIOTT

Coach Paul W. Elliott is an Ex-Midland "Warrior" having captained both the Football and Basketball teams. While in the Navy he played on the Great Lakes inter-regimental championship team and made the all-station team. Before coming to David City he coached the Tekamah football team two years, winning a sectional championship.

His basketball career began in high school and at Midland he was spoken of as "the mainstay of the team." He held down the center assignment and was noted for "doing the impossible." He still plays the cage game and makes the first team step to keep him covered.

As we go to press, his track team is showing up in fine shape.

## BERNARD FICKE

168 lbs.

Full

"Buck" was that kind of a player that coaches are always looking for but seldom find. He could hit the line or run ends with equal ability. He could punt and pass well and was an expert place-kicker. On the defense he was a deadly tackler, and backed the line well. "Buck" began his football career as an end but the last three years has played full. He was captain in his Junior year. He has been chosen on the ALL STATE HONOR ROLL for the last two years. He was also a member of the track team. David is proud of him.

## AUBREY BECKER

165 lbs.

Half

"Stub" was captain of this year's team. He has played football for David City four years. In his first game he intercepted a pass and returned it for a touchdown. He has made that a habit ever since—this year returning one against Wahoo. Aubrey was also a punter of no mean ability and was at the passing end of most of the Red and Black flips. With his open field running, he was an ideal "Triple threat man." He was also a basketball and track man, and will be greatly missed in next years athletics.

## DONALD PHILLIPS

193 lbs.

Center

"Firpo" held the leading role in the Red and Black line this year. On the defense he was a terror to the opposing backs, breaking thru and smearing their plays before they were started. He was able to recognize the opponents plays, often before they were begun, and playing roving center, would shift to the scene of action. On the offense, his passing was excellent. These qualities along with his natural love for the game, won him a berth on the ALL STATE SECOND TEAM. Sorry, he's a Senior.

# D.C.H.S.

# 19 THE SCOUT 26

## MARION HAHN

163 lbs.

End

"Fritz" has been chosen to pilot the 1926 football team. He was connected with a number of thrilling spectacular plays this year. In the Stanton game he leaped into the air and nabbed a pass from the hands of two Stanton men. At Wahoo he picked up a Wahoo fumble and scored the first touchdown. Incidentally, "Fritz" has oratorical ability.

## NEIL JOHNSON

157 lbs.

Center

"Mike" was good on both the offense and the defense. His passing was almost perfect, and he made his share of the tackles. "Mike" plays basketball, and jogs off the half mile occasionally. He's a Senior too.

## HENRY SHULTZ

166 lbs.

Guard

Henry comes from Brainard, having played one year there. He showed some good football this year and could be counted on for a lot next year, but—shucks—he's a Senior.

## CHARLES BRANIGAN

172 lbs.

Guard

"Charley" has found out how to gain the respect of his opponents. The harder he hits them the greater their respect. Charley's best work is on the offense. Often after he has gotten his man you will see him tearing down the field after the safety.

## STEWART LICHLITER

155 lbs.

End

"Lick" was the lightest man in the line this year, but he made up for it in fight (and that's what counts). "Lick" had a neat way of breaking up interference so that if the runner got by the half easily got him. He was good at the receiving end of passes and got a number during the season. We wish there wasn't such a thing as graduation.

## JAMES ALBRIGHT

178 lbs.

Tackle

Besides being heavy, "Shag" goes a ways up in the air, and in his football suit looks like a modern Goliath. "Shag" is that kind of a player that knows his job and does it, never caring whether the rooters see it or not. He is one of the ten to leave us.

## DONALD LANSPA

187 lbs.

Tackle

With his weight and experience, "Fat" made the opposing teams feel pretty sick. He knew how to use his hands and would often break up the interference before it was well under way. With his legs spread out it was next to impossible to "take him out" and the ball lugger would have to make a wide detour if he got by. "Fat" was given a berth on the ALL STATE HONOR ROLL. He was captain of the basketball team. David loses him this year via graduation.

## JASPER JACOBS

206 lbs.

Guard

"Jap" is a little fellow from Bellwood. This is his first year of football, and he made a beautiful beginning. He was named on the ALL STATE HONOR ROLL. "Jap" will be with us another year, and we are expecting great things from him, now that he has his start.

# 19 THE SCOUT 26

## LORAN RANDOLPH

155 lbs.

Tackle

Randolph's home is at Bellwood. He was a good man in the line, and could always be depended on. This was the first year that he had worn the Red and Black but, alas Seniors must graduate.

## EDWARD DWORAK

142 lbs.

Half

This was Ed's first year in football but his speed made him a real ball lugger. He was also a team mate of Ficke and Becker in the Red and Black relay team.

## ELMER FAYTINGER

145 lbs.

Quarter

"Rusty" was the fourth member of Coach Elliott's prize backfield. He can punt, pass, or carry the ball. On the defense he often returns a punt for a long gain. Watch him next year.

## HERMAN BALL

156 lbs.

Half

This is Herman's second year of football, and he still has another coming. He is fast and is a good ball lugger. He is also handy at pulling passes, completing two for touchdowns against Stanton.

## WINFIELD SCOTT

165 lbs.

Half

"Windy" is very shifty and with his speed makes an expert open field runner. He has had three years of experience and we hope to have him with us again next year.

## JOSEPH FICKE

145 lbs.

End

"Plug" is a fine defensive end, seldom missing a tackle. Furthermore, he is "Buck's" kid brother—nuff said.

## MURRAY ROPER

141 lbs.

Quarter

This is Murray's second year of football. He has one more year.

## GLEN MACOY

146 lbs.

Guard

"Tuffy" has the honor of being the only Freshie to make a letter in this year's football. No, he doesn't graduate.

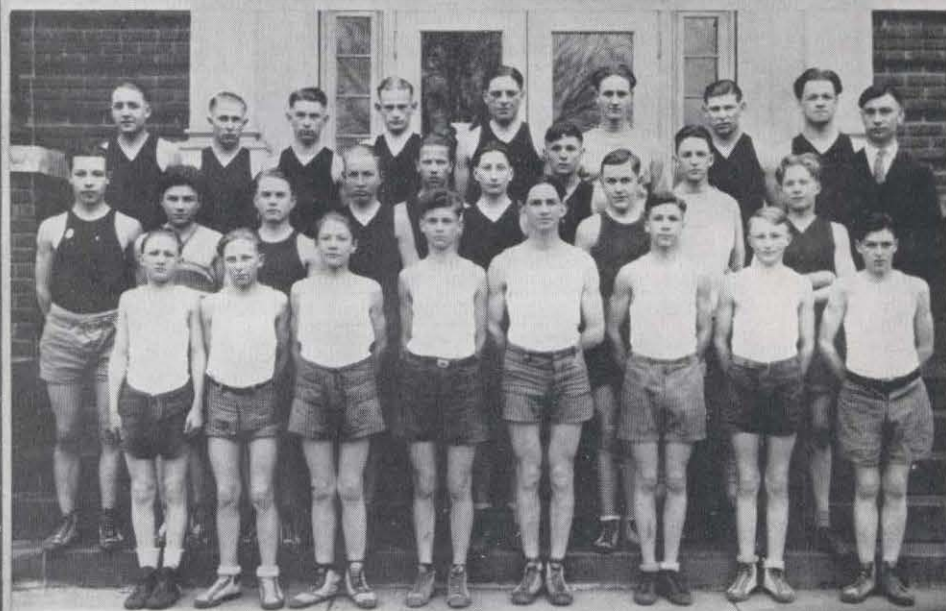

## DOCTOR C. E. BEEDE

"Doc" is assistant coach and team Doctor. He is great in the scientific part of football. In fact, it is said that he uses blocks of wood in constructing plays. He is a loyal alumnus and no David City football team would be complete without him.

## SAMSON BURDETTE MANNING

"John" was the Business Manager of football, handling the money and writing up the games in fine shape. He was a good sport and a "Pal" of every player.

Captain Donald "Fat" Lanspa

Guard

"Fat" had the size and ability that made him an expert guard. He could also jump, for a big fellow, and make it hard for the opposing teams to get the ball past him. He had a fast, accurate pass which gave the Scouts a quick break from defense to offense and thus scoring many a set up basket. On the offense he possessed a neat under-basket shot taking full advantage of his height and jump. David loses him this year via graduation.

Aubrey "Stub" Becker

Guard

This was the first year that "Stub" was able to complete the season, having caught bad colds the years before, forcing him to drop basketball. However, his speed and natural ability won him a steady berth this year. He was very fast on the defense, and with "Fat," David could boast of a strong pair of guards. Aubrey, also, pulled some fancy basket work, sinking a number of long shots during the season. This was his last year with the Scouts.

Captain-Elect, Elmer "Rusty" Faytinger

Forward

When ever a small man makes a team it has been the custom for the critics to make allowances for his size, etc., but in the case of "Rusty" it is not necessary. He had a "good eye" for the basket and knew how to "follow in" besides being a speedy floor man. His dribbling was of the highest quality and his defense could not be complained of. On top of all this he had aggressiveness which kept the fire in the team and, yet, he was cool and steady in the tight places. He is to pilot the 1926-27 quintette.

# D.C.H.S.

# 19 THE SCOUT 26

Herman Ball

Forward

Herman was used as an under-basket man and sank not a few from that position. He had a way (we don't know how) of getting open for set up shots right under the hoop. This little trick he used in almost every game and, when the opposing guards caught on, they would forget to watch the other forward. On the defense "Hermie" held his own and still had wind enough to carry on a pleasant conversation with the opponents (at their expense). By the way, Ball and "Rusty" are the only regulars with the return tickets for next year.

Winfield "Windy" Scott

Center

"Windy's" skill in basket heaving was established by the fact that he held the high point berth this season. Whenever he "got hot" it seemed impossible for him to miss and with the team feeding him the score would raise by leaps and bounds. He was good at breaking up the opponents passes and played a good defensive game. This was his third year and his experience made him a valuable man on the team.

Neil "Mike" Johnson

Center

"Mike" saw service in most of the games, doing his stuff at center. His reach made him a terror on the defense. He was a good floor man, always in the game, and following in often caged a counter. "Mike" had trouble at the first of the season in finding the basket but at the last he was getting his share of the baskets. He gets the little roll of paper this year, too.

Henry "Berries" Schulz

Guard

This was Henry's first year with David and he showed his worth by winning letters in both football and basketball. He played center as well as guard, and in both positions performed with praiseworthy skill. His size made him an able guard and he could jump at center. On the offense he could be counted on for a few goals. He's accumulated 32 credits, also.

Donald "Firpo" Phillips

Guard

This was the first year that "Firpo" really considered the basket heaving pastime seriously and as a result, a first team letter. He did his stuff at guard hangouts and was a good reliable under study for Becker or "Fat. He played a good clean game for his size, but in the tight places he sometimes forgot and began using football methods. He made up for the fouls, however, by his earnest guarding, and the opponents got few set up shots. Donald's a Senior.

## David City Second Team

Finding our choice of words inadequate to properly discuss the second team, we decided to give the task to one of the fairer sex, who have an unlimited supply of adjectives necessary in dealing with such subjects.

"I think our second Team sure can play basketball good. Everyone of them are just wonderful, just so cute and athletic. I never did see such a handsome looking fat boy as "Charlie" Brannigan. He looks just like a regular Apollo when he jumps up and catches the ball. Eddie Korinek is so graceful and always has his fingernails so nicely polished so they just sparkle and shine when he bats the ball with his hand. I think Johnny Manning is the darlingest player. He always seems to struggle so hard to keep hold of the ball and he always keeps his hair combed and greased so cute. "Jap" Jacobs is about the only fellah on the team, though, that likes the girls. The way he smiles so sweetly before he goes into the game just makes me sure that he is going to help win the game. Oh, isn't Lyle Allen just too dear for anything? He is such a manly boy and enters the battle so bravely. Harold Mellinger just looks adorable in his basketball suit, and I really think he can throw the ball the highest of anyone on the team."

The results of the second team games were as follows:

|              |                        |
|--------------|------------------------|
| Bruno 6      | David City 2nd Team 26 |
| Benedict 20  | David City 2nd Team 10 |
| Bellwood 17  | David City 2nd Team 25 |
| Surprise 2nd | David City 2nd Team 17 |
| Bruno 13     | David City 2nd Team 17 |

## Midgets

The Midgets made up for their size in teamwork and fight. The team was composed of Freshmen and Sophomores which means that when they struggle into higher classes they'll have the size and experience that makes David City teams what they are.

Captain Platz, with Richards and Shramek, had the basket heaving assignments, while Zeilinger did his stuff at center. Blackstone, Hinds, Branigan and Scriptor discouraged their opponents on the defense.

With scores of 6 to 4 and 24 to 8 the fighting Midgets convinced the Clodhoppers that they were in too fast company. A picked team was then formed which held the Midgets to a 6 to 6 tie in the third engagement. The undefeated cradle graduates then journeyed to Octavia and brought home the spoils of a 16 to 14 victory. But, even Napoleon lost, and the Midgets met their "Waterloo" at the hands of Brainard's galloping second team to the funeral march of 25 to 12.

Watch them next year.

# 19 THE SCOUT 26

## Midland College Tournament

David City High School entered the Midland College Tournament with high hopes. Playing on a large court with a high ceiling was a handicap but they met their opponents, from Valley, and after trailing the first three-fourths of the game, immersed the victors, by a score of 20 to 16.

In the next round, they were confronted by the Meade machine which proved to be their downfall.

The game was close all the way, but in the last quarter Meade's center got lucky and dropped two from the center of the floor. Meade won Class B with little competition from Yutan.

## County Tournament

The second annual Butler County Basket Ball Tournament was held this year at Brainard. The Brainard Business men were behind the meet and presented a beautiful silver cup to the winner of each of the three classes.

In class "A" the David City five reached the finals by eliminating Ulysses from the Tournament with a one-sided score of 26 to 13. Brainard shoved into the last lap of the Tourney by surprising Surprise in one of the closest battles of the day.

In class "B" the Red and Black seconds handed the Surprise seconds a 17 to 9 defeat, and found Bruno the only barrier between them and the cup.

The Midgets in class "C" were sadly beaten by the Brainard seconds who later won the cup in that class.

In the bath night finals the David City seconds nosed out Bruno in an extra period with a score of 17 to 13. During the game the score was tied most of the time but in the extra canto the Red and Black hoopsters sank two clean baskets which ended the argument.

In "A" class the David City hoop artists thoroughly established their claim for the cup by defeating the Brainard quintette 30 to 8. The weeks of training under Coach Elliott showed up in the speed and teamwork that the Scout teams displayed throughout the Tournament.

## State Tournament

David City was placed in class "C" this year in the Nebraska State Basketball Tournament at Lincoln. Three hundred and thirty-nine teams participated making it the largest basketball tourney in the world.

For the first game David City drew Falls City and, on the first floor of the new Field House defeated them with a score of 26 to 11.

The next day they met Wahoo and had them beat the first half by what seemed a comfortable score. However, there was one factor in the Wahoo line-up that the fans forgot to allow for, Earl Cunningham. In the second half he "got hot" and began dropping in baskets from all corners of the floor. Still with the lead the David City team began to stall in an effort to stop the luck that had hit the Wahoo youngsters. Things cooled down and it began to look as though David would hold its 2 point lead. But, no, Cunningham sunk another basket from the center of the floor and the David City defense crumbled. Two more baskets followed and the game was history. Wahoo 18—David City 14. However, the Red and Black fans were proud of the fight that their team put up.

Wahoo later won the cup which made the David City followers feel better.

## Track

The interest in the spring sport this year is the greatest it has ever been. About forty men reported for training and as we go to press, four track meets have been held.

In the Freshmen-Sophomore classic the Sophs revenged their defeat in the Olympics, by handing the beginners a 79 to 34 defeat.

The interest in the Inter-Class meet was greatly heightened this year by the presentation of a silver loving cup presented to the winning class by Rev. Rose, the Evangelist. The Juniors led the scoring for most of the meet but in the relay the senior class nosed them out and won the meet by the small margin of 4 2-3 points. The final score for the meet was Seniors 56 2-3, Juniors 52, Sophomores 16 1-3, Freshmen 1.

# 19 THE SCOUT 26

On the following Saturday, the "Scouts" journeyed to York, and in a miniature tornado, romped on Hubka's men to the tune of 73 to 49.

The first home town entertainment was with Columbus. In the century jog Becker and Dworak started the fire-works by taking first and second respectively. Columbus then evened the score by copping the pill heaving honors, Scott taking third for David. The Discoverers gained 9 points in the mile but the score was again knotted when Joe Ficke, Howe and Schulz "holed out" in the high jump. In the 60 yard high hurdles Becker and Buck brought 9 more counters into the fold and Scott sailed the platter for an easy first. Becker and Dworak repeated their performance in the 220 and Hinds brought in 3 points in the half. In the pole vault Howe brought home 3 points and Faytinger and Thomas each added a 1-3. Becker, Ball and B. Ficke added 9 more counters in the 110 yard barrier race, and Buck, Faytinger and Lichliter followed with 9 more in the Javalin. The race of the day was in the 440 yard dash, when, Brannigan, a former D. C. man but now with Columbus led the 440 up to the last 50 yards, when he was passed by Dworak and Ficke. The time was 53.5. Scott took second in the broad jump. The David City relay team easily outclassed the visitors making the distance in 1.39. The final score stood: David City 80 2-3, to Columbus 44 1-3.

In all fairness to Columbus, we should mention that their relay team was at the Drake Relays and could not compete against David.

We trust the team will keep showing up as well as they have so far this spring. There are a number of meets yet to be held among them being the meets at Wesleyan, Central City, Norfolk and Omaha. Watch our TRACK TEAM!

## A Good Appearance

Full dress can never pinch hit for an empty head. Smart attire won't take the place of a limp mind.

But good dress usually reflects good judgement. No man ever lost a job because he dressed well. If you're seeking a new job or trying to get ahead in your present one—a good appearance will help.

## *Build For The Future*

The new teacher was questioning the new boy.

Her inquiry developed that the boy with his father and mother and six other children lived in a one room shack.

"What does your father do for a living? asked the teacher.

"We take in roomers," he replied.

**Being An Economic Factor  
In the Community Served**

The true function of this Store, as we see it, is that of serving as a purchasing and distributing agent for the people of the community and the outlying districts.

When the merchant enters business he assumes the responsibility of performing a public benefaction—that of providing commodities and services to his community in a way that will afford economy and convenience and of maintaining such environment as is necessary and desirable to the consumers who support him.

If he fails in this responsibility, he ceases to be an economic factor in the community which he essays to serve.

Since the first Store in this Nation-wide institution of department stores was opened in 1902, the outstanding ambition has been to serve all alike and well. That we have succeeded is proved by our rapid growth. In less than a quarter of a century we have become the World's Largest Chain Department Store Organization.

Osmer O. believes in getting pay for what he does. He came into the assembly one day in February wearing a cap that would disgrace a tramp. But it was worth it for Osmer got a dozen cinnamon rolls or at least he was supposed to. Please pass the cap.

Fat Phillips states that from his experiences he has found that the part of a car causing the most accidents is the nut at the steering wheel.

Mr. Ritchey (In Commercial Geography) "What does cotton seed look like?"

Fred Litty; "Like it's varnished."

### DOG DAY, JANUARY 12

The dog came in the door and dodged under the assembly desks. The daring pupils with the dreaded Mr. Ritchey at a distance fed the darling dog. Then Mr. Ritchey denounced the demon and declared that the detracting pet would not disturb the study hall—so into "The Dungeon of Death" went the detached.

### THE PEOPLES BANNER

OUR COLUMNS are full of news

OUR ADVERTISING brings results

OUR JOB WORK gives satisfaction

This book was printed and finished in the Banner Office

The Alumni Association has undertaken a new project this year in the form of this Alumni Directory. The officers of the association have come to the conclusion that the past of the David City High School could be depicted in no better way than by the publication of this directory. It goes without saying that the publication of such carries with it an unusual amount of time and effort on the part of those immediately concerned in the ultimate success of this initial venture. I wish at this time to express my appreciation to all who have given so freely and unselfishly of their time in making this a success.

Any errors of the address herein are the result of incorrect information of the alumni and the association will appreciate correction of future directories.

The success of such an undertaking, however, will eventually fall upon the shoulders of the Alumni who have gone forth from the David City High School. If this directory will make the past of your high school career live more vividly, then we feel that after all, it has not been in vain. A considerable distance has been drawn between the Alumni and the institution which is now sending forth its full quota to join the ranks of those who are already in the field. We sincerely trust that this distance will be lessened to a considerable extent through this medium. Subsequent movements which have as their ultimate objective the bringing together of the Alumni and the David City High School will look for their success to this initial venture. It is with this in mind that we look to the Alumni for their support.

We would have all Alumni believe that you are not forgotten. We sincerely trust that the names of fellow members within these pages will provoke a smile or a laugh as you re-live the past once more. And with this issue, let us all join hands once more. Wherever you are, whatever you are doing, the blessing and best wishes of the association are with you.

J. C. THOMAS, President.  
Class of 1921
