## SCOUT DAVID CITY HIGH NINETEEN HUNDRED AND SEVENTY-SEVEN

THE EDITORS OF THIS
YEARBOOK CHOOSE TO DEDICATE
"THE SCOUT" TO THE AMERICAN
CIVIL RIGHTS LEADER WHO
WORKED TO BRING ABOUT
EQUALITY FOR NEGROES BY
PEACEFUL MEANSMARTIN LUTHER KING, JR.

I am not unmindful that some of you have come here...

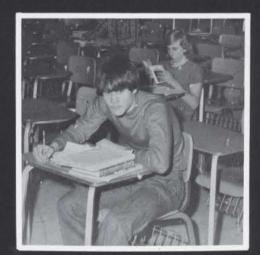

Out of great trials and tribulations.

Some of you have come fresh from narrow jail cells.

Some of you have come from areas...

Where your quest for freedom left you battered...

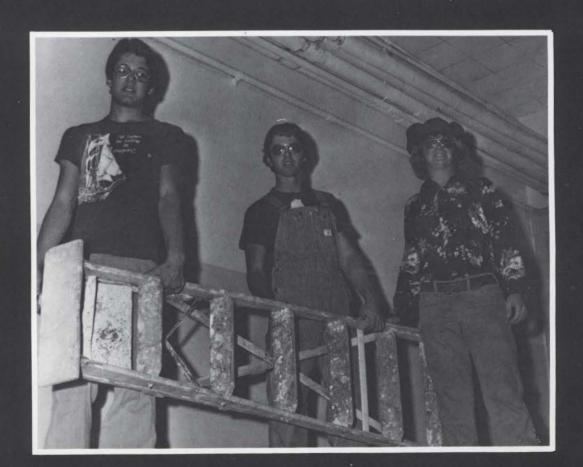

By the storms of persecution...

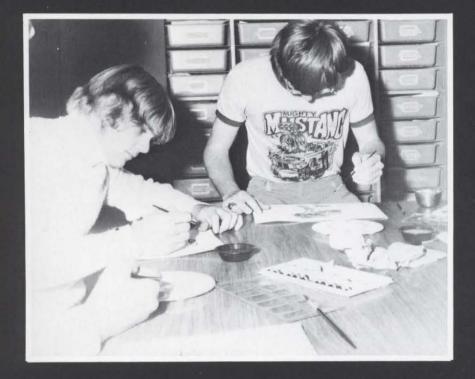

And staggered by the winds of police brutality.

You have been the veterans of creative suffering.

Continue to work with the faith that...

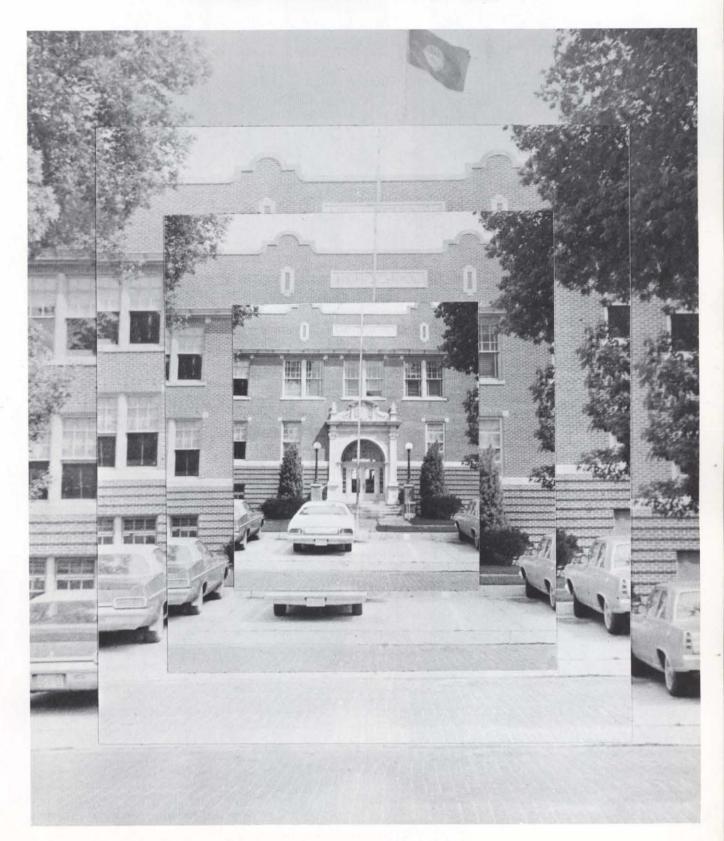

Unearned suffering is redemptive.

We cannot walk alone. We must make the pledge that we shall march ahead. We cannot turn back. There are those who are asking the devotees of civil rights, "When will you be satisfied?"

There was time for togetherness and enjoyment.

Sure, there was work. Nobody doubts that. There were times when we thought there was nothing else. But take a minute to reflect. There were good times too. And, fortunately, it will be the good times that we best remember. There was time for meeting other people, sharing ideas and philosophies. There was time for excitement and activity. There was time to lean back and relax.

I have a dream that one day this state will be transformed into a situation where little black boys and black girls will be able to join hands with little white boys and white girls and walk together as sisters and brothers.

## STUDENT LIFE

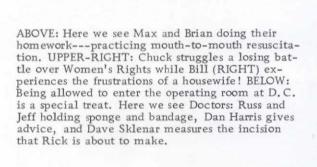

ABOVE: James digs for his lunch in the school's "Picnic Basket". ABOVE-RIGHT: Doug and Mark write to each other about their experiences together in the DARKROOM. RIGHT: Here Mr. Warren is practicing his opening line in selling Avon products ---Well, what do you expect with wages teachers receive? BELOW: Cheri takes notes while two D. C. students discuss the modern problems of today.

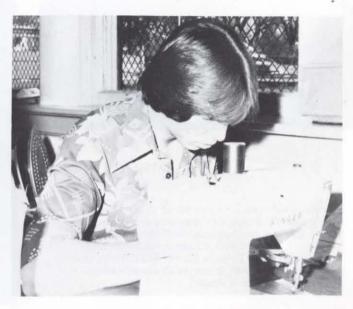

TOP-LEFT: Wayne's ability to rise into mid-air proves him to be one of the Great Meditators of our time. TOP-RIGHT: If only Nadia were here! ABOVE: Here we see our very own stunt girls trying out for the Mickey Mouse Club with their Mickey Mouse Roll Call. RIGHT: Dave Sklenar is asking for student volunteers to join the BIG BROTHERS ORGANIZATION.

LEFT: Now I ask you, who has better legs - Chuck or Joe Namath? BELOW: So what if Russ learns how to sew, President Carter grows peanuts! BOTTOM-LEFT: Linda and Mary look on as Cindy compares her growth to that of a tree. BOTTOM-RIGHT: Yes, I spell relief ROLAIDS.

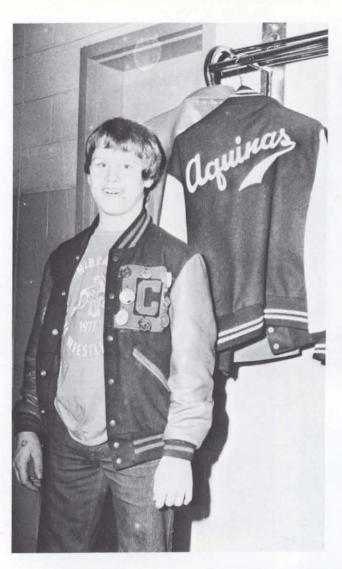

UPPER-LEFT: As you can see, this picture is self explanatory. ABOVE: Bill scores again! BELOW: Carolyn looks worried as Jaws takes his pick for an afternoon snack.

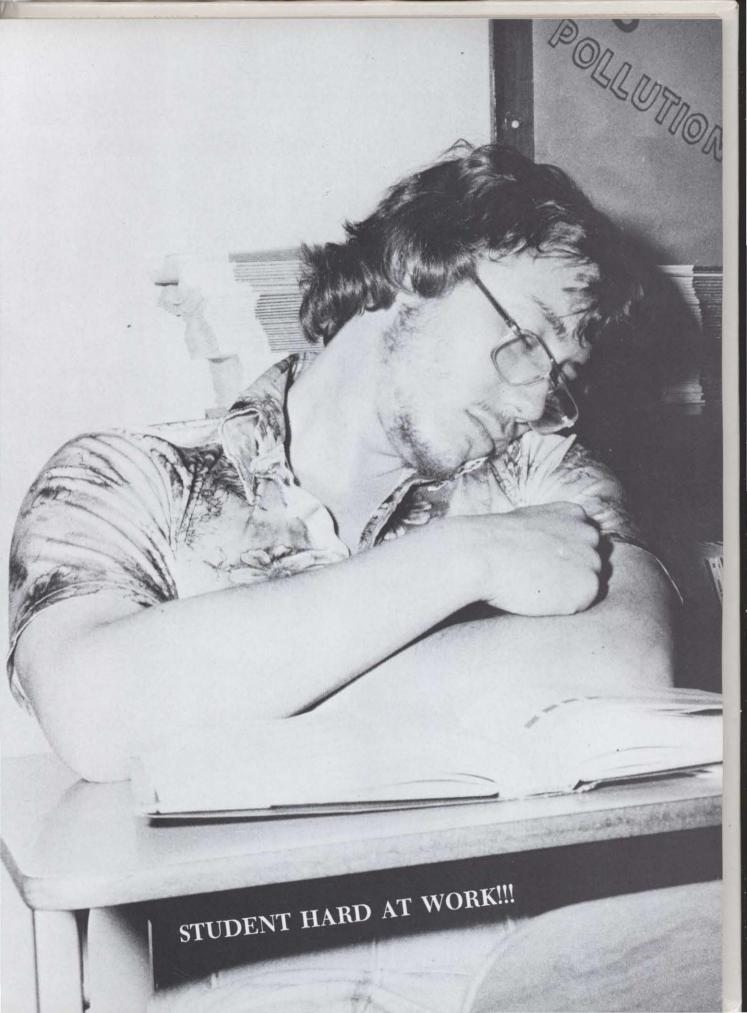

ABOVE: Miss Hasenkamp plays with the play schoolers. RIGHT: Mark and Gordon practice for "Towering Inferno". LOWER-RIGHT: Jennifer explains her wife's usage of Geritol and how it keeps her looking young. BELOW: Brian picks up his "Bit of Honey". (Candy Bar)

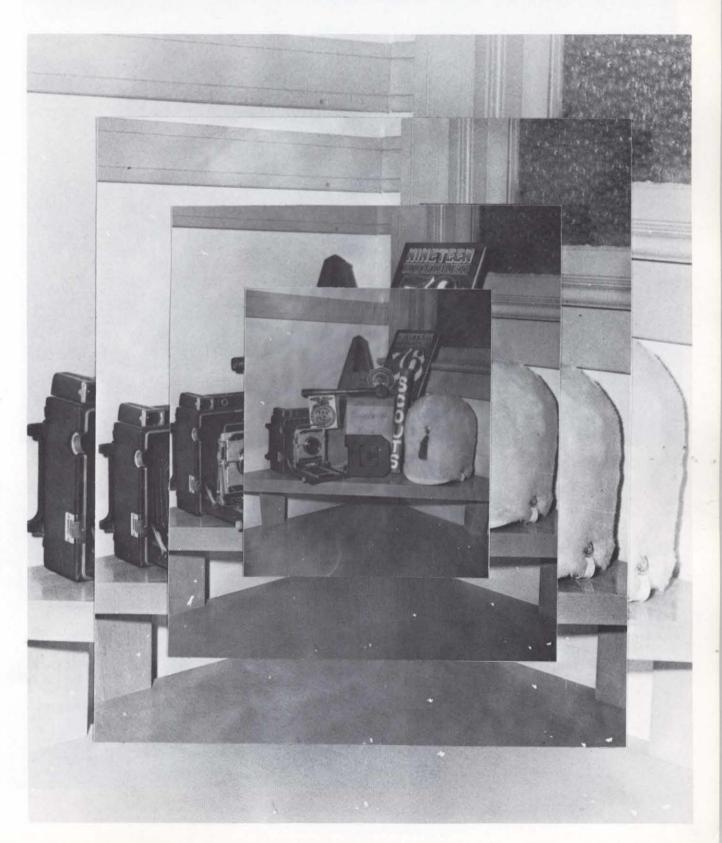

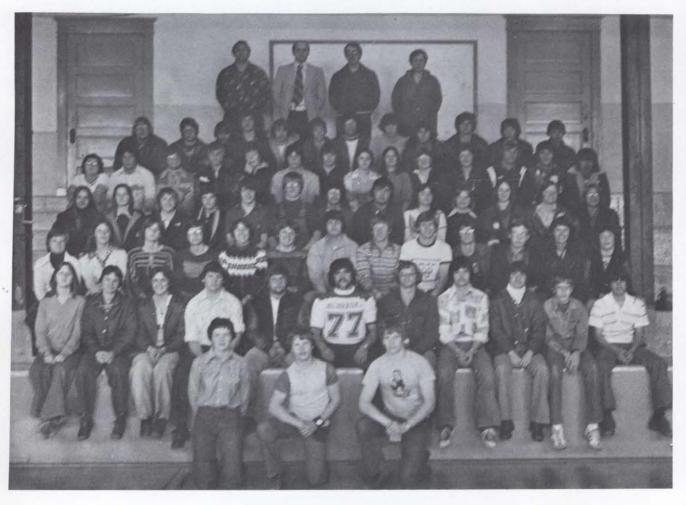

With faith we will be able to hew out of the mountain of despair a stone of hope. With faith we will be able to transform the jangling discords of our nation into a beautiful symphony of brotherhood. With faith we will be able to work together, to pray together, to struggle together, to go to jail together, to stand up for freedom together, knowing that we will be free one day.

After the beating, it is customary that the Scouts LAY the car to rest on its top. The mission is almost complete except for the final touch.

RIGHT: Golfers representing us at State are Mitch Heins, Mark Hecker, Gary Hascall, and Todd Norton.

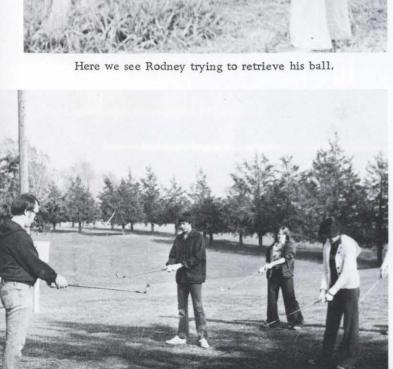

No, Renee, turn the rake around!

. Uecker is shown doing his job by coaching his golfers in the game.

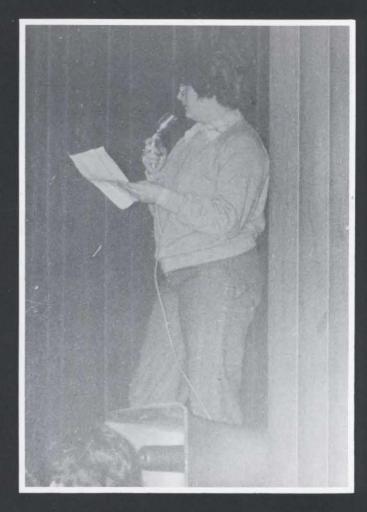

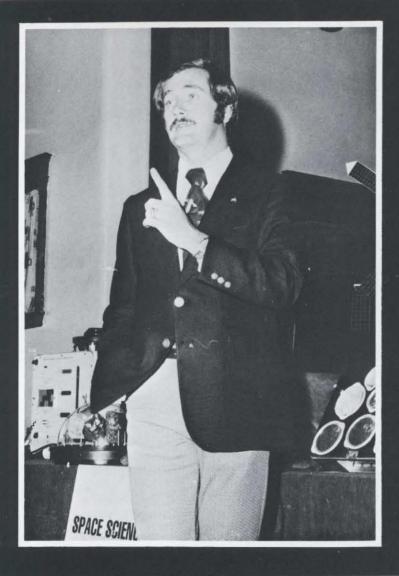

Gary, here, is starting his ball on a far away journey.

So I say to you today, my friends ...

That in spite of the difficulties and frustrations of the moment,

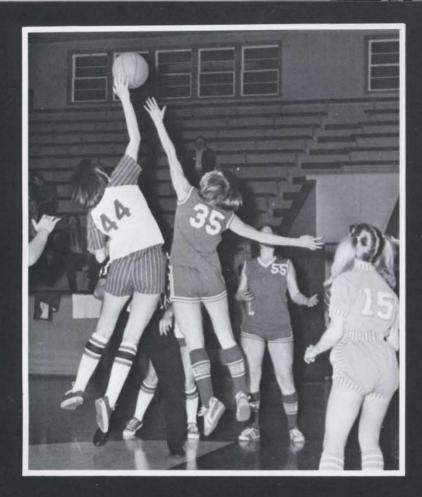

I still have a dream.

It is a dream deeply rooted in the American Dream.

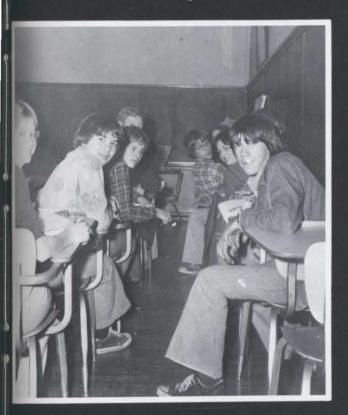

I have a dream that one day this nation will rise up...

And live out the true meaning of its creed!

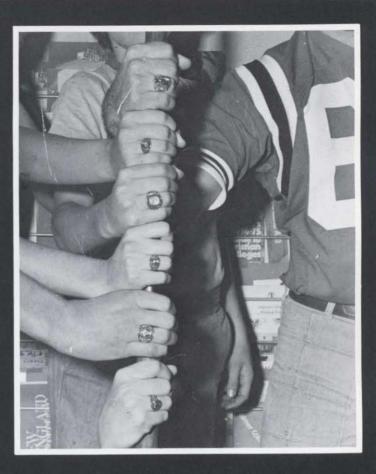

"We hold these truths to be self-evident;

That all men are created equal."

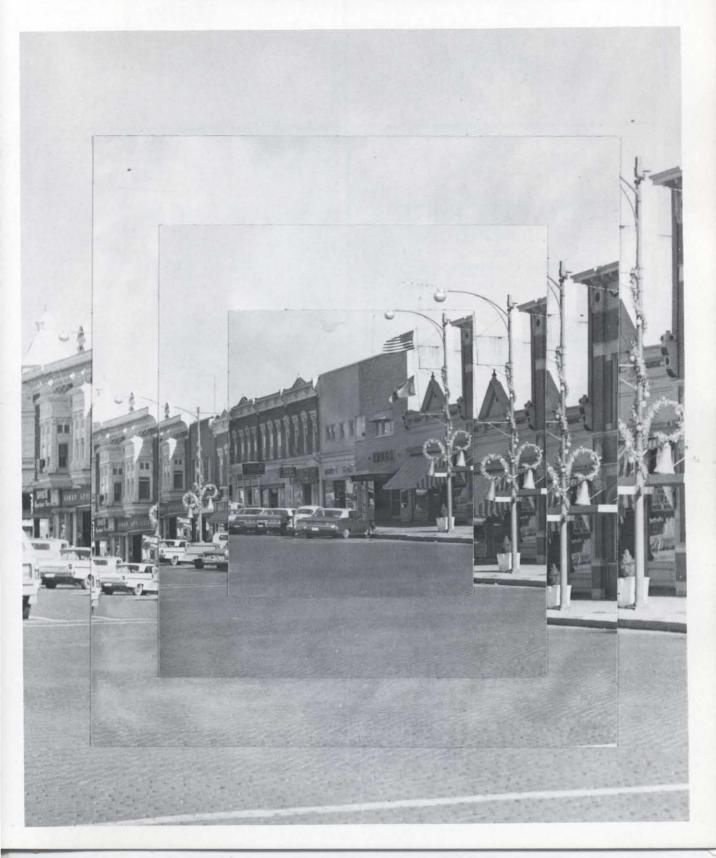

I have a dream today!

We would like to extend our thanks to our patrons. Without their help and contributions, our year-book could not have been started.
We are sincerely grateful for their generosity.
