Piece by Piece was chosen as the theme because everything has to piece together just the right way for things to work, like a puzzle. Just like each student and faculty member is a piece of this school, and that is what makes this school what it is. Or it could mean that high school is a piece of the puzzle called "life". Where you have to keep working and doing your job for that puzzle to get filled in. Yet, we realize that this puzzle will never get finished because we have so much that we want to do.

Eighth grader Corinn Otte tries to get rally started, during a second set.

The group is refocusing during a time out as coach sets up a game plan! The girls have learned a lot during their seventh and eighth grade experience.

During the season eighth grader Chelsea O'Dell and seventh grader Hope Kerucha had the highest percentage of serves for the team. Miss Muller had said that the most improved player on the team was Andrea Castillo. The year didn't go as well as they had planned but the girls had fun and made some improvements along the way. The girls' attitude is that they enjoyed playing. Both of the coaches agreed that the season was full of learning and the need for improvements in skills will grow as they practice them more.

### A Piece from the Coach

Coach Hermelbracht:

"This year's team had the most character of any other team that I have coached. This team had a lot of kids that worked hard every day and had great leaders that refused to quit. They tried to make everybody better around them day in and day out."

"They need to improve on their overall strength and speed."

"I truly enjoyed watching the players grow and mature as the year progressed."

"Wyatt K. led the team in tackles followed by Abel S. and Donald P., while Martin P. led the team in interceptions."

"Our leading rusher this year was Martin P. along with Wyatt K. coming in a close second, with Ben D. and Mitch S. as leading passers."

Seventh grader Cody Navikal shoots and cashes in 3 last-second points for the Scouts.

Seventh grader Jonas Scheffler takes the ball down the court while eighth grader Dustin Miller follows.

Seventh grader Ben Danielson dribbles the ball through heavy traffic.

"The Middle School boys basketball team worked extremely hard all year. There is no lack of hustle in this group of players. Several of the seventh grade players played ball for the first time ever this year. This was a challenge that was sometimes difficult to overcome simply due to a lack of knowledge of the game. That being said, the team played with a great deal of heart and never gave up." Cha Thornton, coach.

Seventh grader Cody Sabatka charges forward against the defending Aquinas players.

The Spanish IV students had an eventful year. In October they traveled to Milford to see Justo Lamas, an Argentinian pop singer. They made shirts for the occasion and listened to his music before the concert. The Spanish IV students also went to Bellwood and the DC Elementary to teach Spanish to the younger kids. Many enjoyed teaching and were excited to go to their classes each week.

The High School choir put on many shows this year. The choir was one of the selected few to sing in the rotunda of the state capital building. Five people were chosen for the Honor Choir in Kearney. These were Elizabeth Hruska, Marta Czarnick, and Christina Teubner in the Women's Choir, Marc Graybill in the Festival Choir, and Cody Keck in the Honor Choir. This was a good experience for each individual as they learned more techniques for their singing style. The men of the choir also sang at the Sermon's A La Carte at a the local Congregational Church. At the District music Contest the High School Choir scored a superior rating of a 1, which is the best score possible. Many of the soloists and duets scored either a 1 or a 2.

# Mardi Gras Homecoming

Homecoming is a time of year that is anticipated. Every year the students and staff join together in showing off school spirit. This year's theme was Mardi Gras. Dun Dun Dun... Let's Dance. The students of David City High School show off their school pride by dressing up for the occasion.

Students this year were faced with some interesting and out of this world dress up days. The students and staff showed great "school spirit" throughout the week of homecoming. But, in the end, the dance and football game topped the week off. Although for the second consecutive year in a row it rained, the fans still stood out in the rain to cheer the football team onto a "Victory."

Junior Nathan Styskal places 15th at the North Bend Invite.

# VOLLEYBALL

## A Piece to the Puzzle

"Yes, we get to play in the big girls gym. Senior Kala Kovar said after the Fairbury tournament when we got to move into the bigger and better gym. The Scout ended up placing 3rd at the Fairbury Tournament which was the goal for the team. Throughout the season defense, dug more balls, kept rallies going and serve receive improved. Coach Lentz, coaching 8 years at David City said the best moment of the season for her was beating Cross County in the conference tournament when trailing behind 19-24 to win 27-25. The relationship and team chemistry with the players and coaches developed tremendously during the season.

Junior Hillary Sander thinks the Scout could improve on being more consistent from set to set and getting bigger blocks.

# DEFEATING the ODDS

Determination.

Strength.

Teamwork.

Ohhhhh..  
Softball

Beginning the year off we played our first two teams at Conestoga who we beat 8-0 and Raymond Central who we lost to 0-8. The past couple years our Softball team did not have a very good record in wins. However, this year that changed. With a gain of four more David City girls- Jasmine Clark- junior, Melanie Hecker- senior, Ashley Lerch- junior, and Shelby McGill- senior. All four of these girls didn't have as much experience as the other girls that were on the team. They were all welcomed in with open arms and made friends very quickly. They stuck together and that is what made this softball year different from all of the other years. Last year the team had a 6-27 record, and this year a 15-29 record. The girls accomplished so much this year, and proved that they can fight. In Districts the first team we played was Beatrice. We held them for four innings before Beatrice even scored one point. Beatrice later got second in districts. This instance proved how strong our team is and how they can do whatever they set their minds to.

Working together was the biggest part of this year's team goals. There were a lot of team gatherings and several practices where the captains would sit together and discuss what they could do better as team leaders. Senior Staci Ossian who has played since she was a sophomore, really brought the team together this year by keeping everyone in high spirits and encouraging them that they can do better.

## burning passion

Senior Staci Ossian has played for 6 years and is very dedicated to the sport.

## F.U.N.

Senior Melanie Hecker played one year of Softball and is glad to have had this experience.

And will you Succeed?  
Yes Indeed,  
Yes Indeed!  
Ninety-Eight  
And Three Quarters  
percent Guaranteed!  
- Dr. Seuss

Coach Novak's thoughts:  
Three things the team improved on the most are shooting percentages, holding the opponent to less points by playing better defense, and rebounding offensively and defensively.

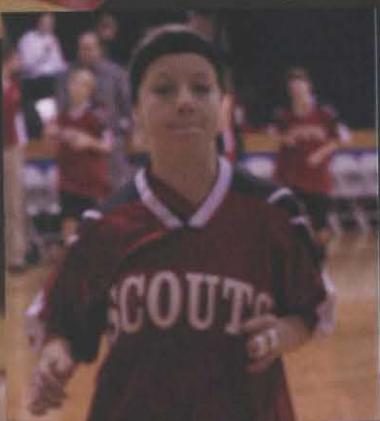

Right: Senior Nikki Romshek goes up for a jump shot.

Right: Junior Jaemine Clark goes to the free throw line in a very important part of the game.

Below: Here we catch junior Ashley Fendrich running off the court heading into the locker room before the game.

## CAPTAINS

Justine Riha and Nikki Romshek  
Senior Justine Riha What are you going to miss the most? Playing in games and shoving people around making them mad, while I laugh.  
Senior Nikki Romshek What will you remember the most? All the fun we had during practices with Coach Novak and all the girls, we always found ourselves in some weird conversation topics.

## THOUGHTS

## GET SOME! GOT SOME!

*This season the girls basketball team gained four new varsity teammates. Seniors Kala Kovar, Shelby McGill, Kacy Sutton and junior Brooke Fozzard. The girls started their season against Centennial who they won against by twenty. The Scouts were off to a good start and finally looked like a team who wanted to give it there all! The Lady Scouts have improved their record from last year 7 - 16. Last year, Shelby High School defeated the Scouts, this was a major upset. This year the Lady Scouts were looking for revenge, on January 22 that chance came and the Scouts defiantly took advantage of it. The Lady Scouts defeated Shelby High School by ten.*

Freshman Austin Havlena  
pivots around his defender to  
make a play.

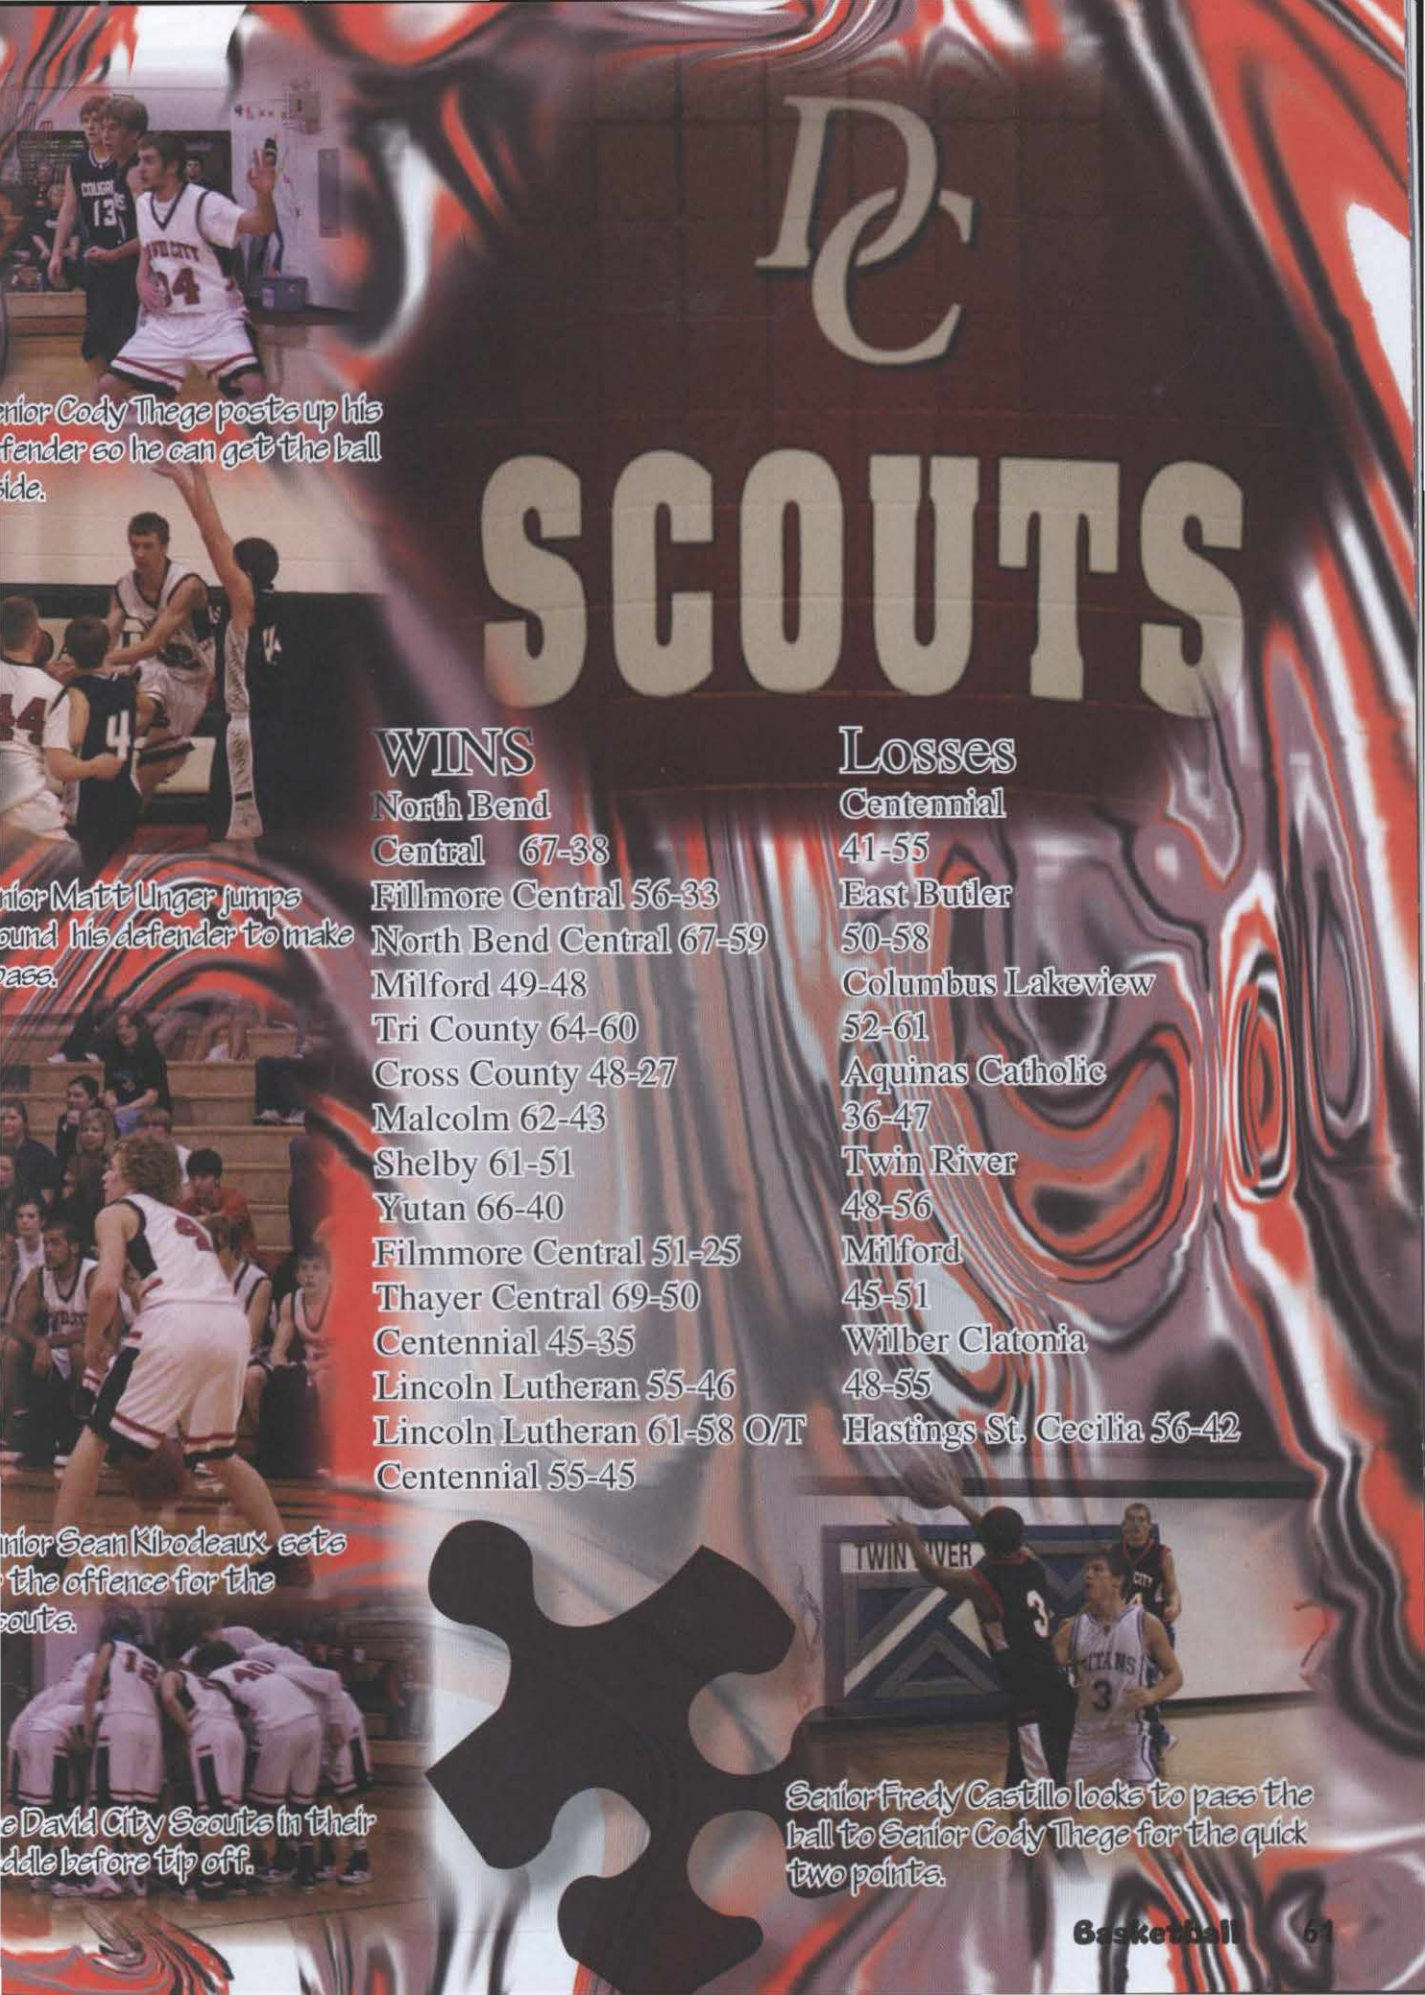

Junior Seth Behrens takes a nice  
shot at the free throw line.

Junior Justin Chmelka passes the

Senior Jerade Clark makes his move

two points.

Senior Aaron Schmid looks to shoot  
from the free throw line for an easy  
two points.

Senior Cody Thege posts up his defender so he can get the ball inside.

Senior Matt Unger jumps around his defender to make a pass.

Senior Sean Kibodeaux sets the offence for the scouts.

# Caution Wrestling Is just Piece by Piece.

## Your Dedication is your Success!

"I hope we will surprise some people." Is what Gaylen Kamrath had said that at the beginning of the year. After losing 4 dedicated seniors last year, people believed that the David City Wrestling team would not be as good. This year has been a very suprising year. Coach Chad Mattox had said that Jacob Schwartz and Nathan Styskal had improved the most. "My Favorite part of the year is when we go to Districts and take our qualifiers to State!" Coach Gaylen Kamrath. The Captains/ Leaders were Lucas Kastl and Tanner Wemhoff. All of the Seniors were the most encouraging wrestlers. "The season went very well we placed 6th at State, 4 Medalists!" Coach Gaylen Kamrath.

### Colophon

The 2009-2010 Scout yearbook printed by Walworth Publishing Company in Mardine, Missouri, with the help of representative Greg Adams.

Body copy were done in AWP Oliveoil and the Main headlines were done in AWPC Knockout. Faculty, freshman, sophomore, and junior portraits were provided by Lifetouch. Formal group portraits were provided by Goco Photography in Columbus and Signature Portraits in David City. The cover was designed by Senior Damon Richards, a staff member of the yearbook. All layouts, copy, and captions were produced by members of the Graphic Design class.
