#YEAR BOOK

The yearbook, or better known as Graphic Design is a way for students to use their own creativity to show what went on in the school year, and what was the 'new thing' that everyone was doing. A lot of stress goes into perfecting the pages, but in the end, its a lot of fun for the students in the class.

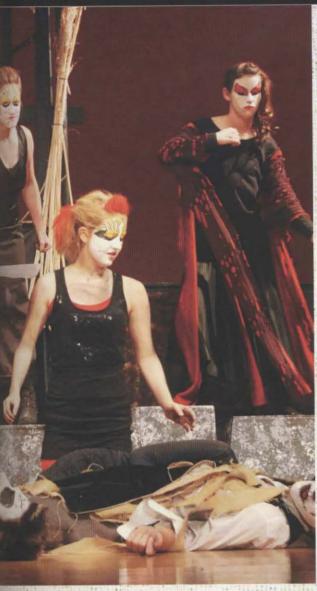

#The Last Survivors

Up against the odds is far from new to the Cast and Crew of David City's One Act Team. The original play was to be "The Hunger Games" but after the stress and many phone calls it was not meant to be. Our new play entitled "The Last Survivors" by Jarod Ockander. The task, was not an easy one. Changing the play half way through the season yet the team pulled it off, the win, the Conference Title, and District Runner-Up!

There are some other classes and activities that she has been a part of in her years of teaching here at DCHS. For example: her first year teaching she taught the Sophomore English class. She has been the National Honor Society Sponsor for sixteen years. After she retires she plans to read, relax, play tennis, travel, do some volunteer work, spend more time with family, and friends. She may decided to work at a part time job around David City no plans just yet on day at a time.

#BonFire!

At the Homecomina start to the week students and teachers all go to the DCHS Bonfire. Everyone is invited to play in the activities at The bonfire. This year included several different games. This year there were blindfolded wheelbarrow races, and throwing stuff onto another person's face. The DCHS Cheerleaders and Dance squad performed. Later, all of the students that attended gathered around the huge bonfire that was created. They gathered into their classes from Freshmen to Seniors and shouted out their araduatina year. Then they threw our rivals for the week from other schools into the fire.
