Scout Pride is TIMELESS

"Scout Pride is Timeless" was chosen as our 2023-2024 yearbook theme to show our endless appreciation to our school. As we grow up and move past high school, we will always have the memories of our time as a Scout. This yearbook also alludes to the Scouts that have come before us. This yearbook is full of retro designs and phrases used throughout the past as well as current trends from today. Pictures throughout the yearbook show memories captured throughout the year of Scouts showing off their Scout pride. We hope that as each page is flipped through, you remember each timeless memory of being a David City Scout!

WHY IS EVERYONE CHASING ME?

COOL!
SENIOR CHASE CAMPBELL DOUSES JUNIOR KEATON BUSCH TO KEEP HIM COOL.

"Strong" and "chaotic": these words from freshman runner Brylee Wiedel summarize the challenges and benefits of the 2023 season. Challenges included several injuries that plagued runners, as well as integrating several novice runners into the team. Senior Brayden Johnson, who was new to cross country this year, said, "The sport was nothing like I had expected it to be–in a good way. I was really glad to have a great coach like Mr. Rebbe as well as Mr. Scoville, especially for my first year out. They made me feel welcome and always pushed me."

That feeling of support from the team is an important aspect of cross country: "I'm proud of our team for working hard all season," said freshman Jaelyn Dvorak. "Even when some of us didn't get the meet results we wanted, we kept our spirits up and supported each other. We stuck together during practices and had plenty of fun, and I think that is what made it a really pleasant experience to be a part of the team."

Dvorak and two other freshmen, Rylee Thoendel and Brylee Wiedel, joined junior Hannah Gangwish on the girls team this year. Gangwish said, "I am proud of the three freshman girls who decided to join the team this year and how well they ran along with how much they improved from the beginning to the end of the season. They are such a hardworking group of girls and were fun to cheer on. I hope each of them decides to return next year because I wouldn't want to finish my high school cross-country career with any other group."

START STRONG:
THE BOYS TEAM START THE RACE TOGETHER AT THE ARLINGTON MEET. RUNNERS WORK TO PACE EACH OTHER THROUGHOUT A RACE TO HELP ONE ANOTHER TO THE FASTEST TIME POSSIBLE.

ONE LAST TIME!
SENIOR TRISTAN SCHMIT (LEFT) AND JUNIOR HANNAH GANGWISH (BELOW) KEEP THEIR EYE ON THE RUNNER IN FRONT AND STRIVE TO KEEP PACE.

The grueling practices, the punishing courses, and the fight to overcome injuries were all part of this season—but bonds are made stronger through mutual struggle. "I think my favorite part of the cross country team throughout my high school career was the friends and relationships that I created along the way. I will keep these friendships throughout my entire life," said senior veteran runner Alex Thoendel, who has participated all four years of high school cross country.

PLAY BALL!

Blue River Softball

Watching a softball game in the fall of 2023, one might see the encouragement the team had for one another: cheering when someone was batting, giving dozens of high-fives, and supporting one another. The overall record was 7-18, which reflects some of the challenges the team faced.

Injuries plagued the team all year. Assistant coach Grace Lenz said, "We had to figure out where to place players, sometimes in positions they haven't practiced or played before." Brenna Steager, a freshman, added that for her, "The most challenging part of the season was being out for a few weeks (due to a concussion)."

Another challenge was the lack of experience to create a team with depth. Assistant coach Emily Blackburn explained that, "We did have a very young team, which means we had up to five underclassmen starting and playing a huge role. We were a very young team, but that bodes well for our future." The season record doesn't reflect the heart of this team. Blackburn said, "We competed in most of the games, and we lost several at the last minute or by only a run or two." The friendships and sportsmanship of this team even led them to win a shocking victory over Lakeview at the end of the season, when they went 2-1 in sub-districts against a team that had previously defeated them 4-12. The foundations built in 2023 should pay dividends in the future for Blue River Panthers softball!

Abigail Lindsley, a freshman, says, "My favorite part of playing softball is just getting to put it all on the field." Abigail Lindsley did just that.

Enjoy!
Natalie Robak, a junior, is enjoying the thrill of softball. Natalie explains how they get past the hard times, specifically Lakeview sub- districts. "We went into this game supporting each other through every play, every hit cheering each other on. We definitely had a fire lit under us because we played amazing."

Family!
Natalie Robak, Brenna Steager, and Shelbea Reed are getting ready for a game. "My favorite part of softball is the family ...we support each other and create a family atmosphere," said junior Natalie Robak.

New roles!
This year there weren't many seniors. But to take the place of graduated seniors there were many new freshmen. Junior Meagan Jahde said, "Without seniors younger girls had to step into a new role that they may or may not have been ready for."

JUKE! Senior Brock Dubbs zips his way through the field. He states, "The best part was being able to play the game I love with my friends. The thing I'll miss the most is hitting people and playing with my bros."

LET'S PLAY!
The scouts line up against city rival Aquinas on a calm Friday night.

GO TEAM!
The team executes it's defense after the opening punt of the half. Senior Mason Lowe said of the season: "Adapting to conditions that I was not used to during the season was a bit difficult. Yet we all worked together to be the best we could!"

Senior Jayden Lueders runs with the ball towards the endzone. "Friday night lights and playing home games," is his favorite part of football.

SCRAMBLING INTO FOOTBALL

Scouts' Final Year of 11-man Football

COHEN DENKER

LINE UP!
AS THE SCOUTS PREPARE TO DEFEND THEIR ENDZONE, THEY CAN HEAR SHOUTING FROM THE CROWD AS STUDENT FANS CHANT: "LETS GO SCOUTS!"

Between low numbers and losing players to injuries early in the season, the Scout Football team struggled to field a winning team this season—if one counts "winning" as just the numbers on the scoreboard at the end of a game. In other ways, the season was a successful one for the Scouts.

Teamwork is always a goal, and this Scout team built themselves into a family that could face adversity. Senior Mason Lowe explained that, "The thing I liked most about being a part of this team was being able to lean on my team no matter the situation."

Cohen Denker agreed with this sentiment, saying, "As a team, we all stuck together even with having a losing record. I'm proud that no one quit and I hope everyone comes out next year again."

The Scouts did win one game: by forfeit. "My favorite memory was when [Coach] Carmichael told us at the beginning of practice that we had actually beat Bishop Neumann because they played an ineligible player. This was easily the most exciting part of the season," said Denker.

While this season was rough on the Scouts, things may be looking up: the David City school board, following a lot of community discussion, voted to move the Scouts to play 8-man football next year. It will be a big change but hopefully will make better use of the players' abilities. This team leaves the legacy of being the last to play 11-man football for the Scouts...for a while, at least.

VOLLEYBALL

Determination. Teamwork. Success.

JUNIOR EMILY POULAS

Determination was a strong driving force all throughout this year's season. Freshman Hope Aldrich said, “If I had to describe the team in three words it would be: kind, hardworking, and fun.” Senior Grace Eickmeier delineated this year's team as, “resilient, hardworking, and energetic.” “Motivated, persistent, and ambitious” is how sophomore Sarah Wieseler depicted this year's team.

That hard work and persistence paid off, especially for Sophomore Kamryn Behrns. “Through all of the ups and downs of the season, the hard work that my teammates and I put in throughout the year shined," Behrns said. “The persistence that I showed throughout the year benefited me in so many ways. During the season I broke the record for kills in a season with 472. I also tied the school record for number of kills in a match with 27."

Others that achieved big this year were Kambri Andel, who made second team for SNC conference, and Jaiden Ray, who made honorable mention at SNC. Ray also set a school record for most points served in a season: 225.

It was a memorable season for a lot of reasons. Sophomore Sarah Wieseler said, “What I loved most about volleyball this season was how our team bonded over the season. All my teammates and coaches got very close this season; we are like a huge family.” Freshman Hayden Valentine said, “Though the season didn’t end the way we wanted it to, no one dropped their mindset and you know they have big goals for next season.”

MENS BASKETBALL

Unfinished business—that's the motto! Finishing the season with a record of 12-10 the Scouts had a winning record in the regular season. In districts, however, the Scouts fought hard, but couldn't pull it off against Milford losing by only two points. It was also the final game for Brock Dubbs, Clayton Zavodny, Blake Lukert, and Chase Campbell. When asked about how he felt going into his last year Clayton Zavodny stated, "I was looking forward to my last season of basketball and to make it my best. I wanted to repeat the same successful season we had prior and show people that it wasn't just a one-year thing. I was looking forward to proving people wrong." While the team didn't have the results they wanted any doubt on improvement was gone at the end of the season. #BusinessMen

UNFINISHED BUSINESS

"Play FOR each other, not with each other," is commonly stated by Varsity women's basketball coach Mr. Schlautman. This season the varsity women went 14-8, winning the majority of their games. One of Mr. Schlautman's expectations was achieved: He hoped "to be a very close knit team and to outwork other girls." Varsity captain and starting player junior Meagan Jahde believes this team is "all friends and are really connected on and off the court." With being connected off the court one of Junior Addison Kuhlman favorite traditions includes "team dinners at teammates' houses." Overall these are always her favorite because they "Get to bond with each other outside of anything basketball related. "Along with Mr. Schlautman's expectations, his goals for this year included: "winning the Holiday tournament which we accomplished. Making finals of the conference tournament which we didn't. Holding teams to under 35 points a game which we did in 14 of the 22 games. Average less than 15 turnovers per game which we did, we averaged 12 per game. Shoot 70% or better on FT's, we shot 68%. 15+ wins, we got to 14." Nearly all of Mr. Schlautman expectations were well achieved. With every season comes difficult times. This year the main issue was "navigating January when we had several days off due to snow days," stated Mr. Schlautman. This team was able to get through it by "continuing to put in work during a very tough stretch of games at the end of January/beginning of February," Schlautman explained.

Ritual
Pushing Schuyler's Varsity member on January 5th, sophomore Kamryn Behrns sprints to make a layup. Behrns' favorite memory of this season was "winning the holiday tournament."

Classic
Guarding the ball, sophomore Kambri Andel has her eyes on the opponent, ready to move against Centennial on January 30th. Andel believes that this team is unique because they "will always have each other's backs and will be there to pick each other up. There is no drama."

Stare
Keeping her eyes on the ball, freshman Natalie Greenwood gets ready to block Mead's opponents on January 23rd. Greenwood's favorite game was against North Bend because she believes the team "played really good defense." Natalie's favorite play during that game was when she "ripped the ball out of a girl's hand."

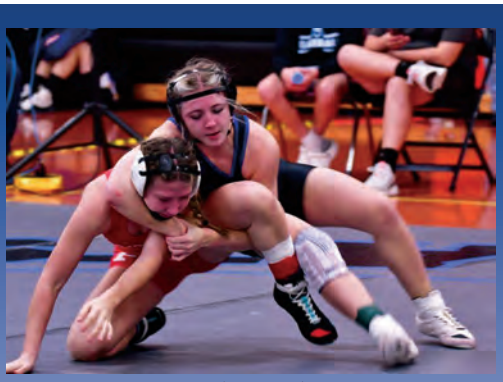

Sportsmanship
After a shot taken by junior Hannah Gangwish on January 23rd against Mead, teammate Ava Daro cheers her on once the shot went in the basket.

Recognize
Getting ready to pass the ball, junior Addison Kuhlman observes the court looking for an open pass while playing Mead on January 23rd. Kuhlman believed this was her most fun game because, "everybody on the bench got to get in and play and some even scored. The fans and team get fired up which makes the game fun."

Always
After getting the ball, junior Meagan Jahde runs down home court avoiding Centennials players on January 30th. Jahde's favorite game this year was against Shelby "because it was the first game back after not having school for the past week due to the snow." During this game they "all played nonchalant and connected as a team."

Determination! Freshman Alaina Andel did not have an easy season. Andel says, "I have had to go through a lot of struggles with my mental, physical, and emotional health!" Despite these struggles, she continued to finish the season strong.

Communication! Senior Grace Eickmeier talks to coach Watts at a Schuyler meet. Eickmeier says: "With so many new and different teammates as well as coaches, it just made the season so much fun."

Motive! Junior Laylani Kasik loves "Hearing my teammates just talk to me and telling me the good things or giving me advice is one of my favorite things."

IN PERFECT *harmony*

This year, David City High School's female wrestlers joined up with those from Shelby-Rising City and East Butler to create the Blue River Panthers wrestling team. All the wrestlers came to practice at David City High School in the old dance room, turned wrestling room. Of the sixteen wrestlers, three girls made it to Districts: Grace Eickmeier, Laylani Kasik, and Bailey Turpitt. Unfortunately for this year, that is where the season ended.

When asked about her experience, Alaina Andel stated: "My knee injury has progressively gotten better but as I was healing, I faced a new issue with my back." Andel had to take a break from wrestling to heal but at the end of the season, she was able to wrestle a few more times. Abigail Lindsley stated, "I had to overcome a minor injury when I hyper-extended my elbow in a match. I had to learn how to strengthen my mindset and push past some pain." Despite these struggles, the Blue River Panthers have a bright future in the world of wrestling!

Drive! Freshman Abigail Lindsley wrestles her way to victory. This year Abby hyper-extended her elbow and had other obstacles: "I had to learn how to strengthen my mindset and how to push past some pain."

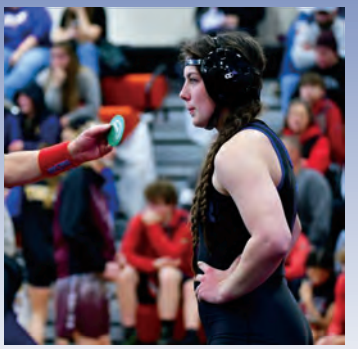

Row 1: Addison Bohaty, Nevaeh Martinez, Abby Lindsley, Taylor Shelton, Loralie Logan, Jessi Hasenkamp, Bailey Turpitt, Amanda Glatter

newfound talent

WINNING! GRACE EICKMEIER HAD A WINNING RECORD OF 26-13 AND THAT WAS HER FAVORITE PART. "MY NUMBER ONE IS WINNING, EVERYONE LOVES TO WIN."

FIGHT! CALLY SCHMID, JUNIOR, THINKS THAT IF YOU ARE CONCIDERING JOINING WRESTLING, "DEFINITELY! JUST GO OUT. ITS HONESTLY SO FUN AND WINNING MAKES IT SO WORTH IT."

FRESHMEN! ABIGAIL LINDSLEY (LEFT) ALAINA ANDEL (RIGHT) IN THEIR FIRST YEAR OF HIGH SCHOOL WRESTLING. THESE GIRLS HAVE WRESTLED IN MIDDLE SCHOOL AND CHOSE TO CONTINUE INTO HIGH SCHOOL. ANDEL STATED: "I HAVE DONE IT ALL THROUGHOUT MIDDLE SCHOOL AND BELIEVED I WOULD HAVE GREAT SUCCESS IN MY HIGH SCHOOL SEASON." LINDSLEY SAID, "WRESTLING IS AN EXTREMELY TOUGH SPORT BUT IT HAS HELPED ME IN MANY WAYS, ESPECIALLY IMPROVING MY MENTAL STRENGTH AND HELPING ME BE ABLE TO KEEP GOING AND PUSHING WHEN YOU ARE FACED WITH ROADBLOCKS."

ENCOURAGE! GRACE EICKMEIER, SENIOR, ENCOURAGES A TEAMMATE. "I THINK IT'S ABOUT MAKING SURE EVERYBODY HAS SOMEONE IN THEIR CORNER. I ALWAYS MAKE IT A POINT TO MAKE SURE EVERYONE WRESTLING ON THE TEAM HAS SOMEBODY WHO HAS THEIR BACK AND WANTS THEM TO SUCCEED."

SHOCKED! ALAINA ANDEL, FRESHMAN, CHEERS ON HER TEAM. IT WAS A HUGE PART OF WRESTLING FOR HER. "WE PRACTICE AND PROGRESS WITH EACH OTHER EVERY DAY IN PRACTICE SO WHEN IT COMES TO MEETS IT'S IMPORTANT TO SHOW THAT WE CARE ABOUT EACH OTHER'S EFFORTS."

KEATON BUSCH (JUNIOR), JAYDEN LUEDERS (SENIOR), AND DAREN VODICKA (SOPHOMORE) WRESTLE HARD AT THE DAVID CITY INVITE ON JANUARY 19TH.

Men's Wrestling is TOTALLY RAD!

It's safe to say that Men's Wrestling is, in fact, totally rad here at DCHS. These boys worked hard throughout their season and anyone can see that it paid off. From winning the Butler County Triangular to sending six boys to State, this team has a lot to be proud of. The 2023-24 wrestling season started with the O'Neill Invite where they placed 4th overall. This dedication did not leave as they continued to push through the season. Coach Lanman expressed that his favorite part of coaching is "to see the growth in the wrestlers." The wrestlers continued to push and grow as the season went on. Junior Keaton Busch said that his favorite part of the team this year was their bond. The bond of the wrestlers definitely grew as they worked together and pushed each other to be the best they could be.

Brayden Johnson shows off Kendall Schinder's 100th win at the Butler County Triangular with a dual-camera snapchat.

Concentration! Justin Watts-Dinkelman watches his teammate Parker Robinson (Not pictured) line up his final shot.

One hole at time! Freshman Zayne Mittleider prepares to hit the ball. Mittleider said, "I didn't really want to try [golf] at first but my friend told me to try it with them so I did and I really like it now."

Ready, set swing! Senior Clayton Zavodny swings, hoping to birdie this hole. When asked why he decided to join golf over other spring activities offered, he stated: "Golf has been something that I've liked to partake in so I thought that I might as well give it a try." Zavodny placed 10th at the SNC Golf Meet and 9th at districts.

Keep your eye on the ball! Junior Cameron Hlavac chips onto the green at the David City Invite on April 17, 2024. Hlavac placed 6th at districts this year.

Walk like a boss! Junior Stanley Allen shows the camera his successful walk from hole to tee box.

Fly, birdie, fly! Junior Parker Robinson watches his ball soar through the air as it just makes it onto the green.

HOLE IN ONE!

This year's golf team may have surprised a lot of people with their success, but not themselves: "I feel like as a team we definitely outplayed everyone's expectations for us. We knew we were a state level team all year and knew we had a chance to place top five if we played good," said junior Keaton Busch. The young team, with only two senior members, performed well; sophomore Jesse Divis explained: "All of us had our moments and that's what made us be able to get 1st or 2nd as a team in seven out of ten tournaments."

The State Tournament, originally scheduled for May 21st, was canceled until Wednesday and then postponed to after noon due to weather. Busch said, "I would say the rain delay definitely hurt me; I was ready to play day one and when it got canceled I couldn't flip the switch." While the Scouts did not perform as well as they had hoped, they still enjoyed "the atmosphere and being able to play in that environment," said Busch. The team is looking forward to a strong season next year with so many returning players: "Underclassmen, be ready," said Divis. "Next year will be really fun!"

Go! Junior Hailey Glodowski breaks to the finish line in her relay on March 19th at the David City Triangular.

Stare! Long jump athlete Sophomore Addison Rands prepares to sprint at the David City Triangular invite on March 19th. Rand's goal was "to jump at least a 15'6" or longer."

Win! After throwing discus, Senior Blake Lukert uses his force to exceed his distance at the David City Triangular. With Lukert's last year, he advises underclassmen to: "Focus up and don't slack. It's more fun when you are competing and winning."

Ready! Preparing to throw discus, Junior Andrew Fuller competes at Conference track on April 27th.

At last, this track team never disappoints! This year has been full of accomplishments and achievements from multiple athletes including sophomore Kambri Andel breaking the school long jump record at 17'9", along with breaking the school 100m dash record with a time of 12.46. The 400-meter relay including Kailey Blum, Kambri Andel, Portia Egwuatu, and Ava Daro set and then broke their own school record multiple times, ending the year at state with a new record of 50.49. The 1600m Meter Relay including Meagan Jahde, Ava Daro, Portia Egwuatu, and Kambri Andel exceeded the school record with a time of 4:11.64 . Coach Reeves explained that her expectations were well met and she “was very impressed with their performances this season. We had so many achievements and personal records.”

The boys team did not leave the record-setting to the girls: their 4x100 including Braxten Osantowski, Reese Svoboda, Cohen Denker, and Brock Dubbs beat the school record with a 44.32. Coach Nerud wanted the “boys to be competitive in the meets, get better each week, and be at our best when it came to championship season.” This was achieved with the team recording 160 new personal records as opposed to setting 151 last year.

HARRIS HAS BEEN ON THE CHEER TEAM FOR TWO YEARS SINCE HER SOPHOMORE YEAR. HER FAVORITE PART OF CHEER IS THE "ARUBA CHEER WE PERFORM FOR THE STUDENT SECTIONS!"

Longing for the lasting memories, Senior Kaitlyn Palik has been on the DCHS cheer team all of her high school years, and cheer captain for the last two years. Palik's most strong characteristic as cheer captain was her expertise to lead this team. She believes she, "Wouldn't have been able to do my job without being able to lead." Kylee Windedahl, class of 2024, has been on the team for two years. Her advice for cheerleaders was to be able to "Have spirit and be loud." These girls had no problem being loud and having fun. Coach Barlean said, "This year's team is very high-energy. There is rarely a moment that the girls are not talking or laughing about something." Coach Styskal's highlights of this cheer team were, "Seeing the new girls on the team grow so much from day one. We added four new girls to the team this year and getting to see them create such a tight-knit bond with the other girls has been nice." This team welcomed the members including two freshmen–Reese Slonecker and Shelbea Reed–as well as two juniors: Emily Silva and Emily Poulas. For this year's Homecoming Festivities, Palik choreographed their pom routine, which was performed at both the homecoming pep rally and football game. For the first time, the band joined the cheerleaders by performing the song "Industry Baby" by Lil Nas X during the routine. This was a new experience for both the band and the cheerleaders, as they had never collaborated in this way before. With homecoming always being chaotic, especially getting down the dance, Coach Barlean believes "It is always very rewarding to see the finished product. Because of the cheerleaders and the dancers, I thought the decorations around the school and at the dance turned out great."

BRING IT ON!!!

The 2023-2024 Dance Team has welcomed one new member, Freshman Hope Aldrich. They started a new tradition this year with the Marching Scouts at the homecoming game. This year, the band played the hit "Bang Bang" by Jessie J, Ariana Grande, and Nicki Minaj. The Dance Team also performed at State Dance on February 17, 2024. They performed really well as a group. For their Hip-Hop routine called "Levels," choreographed by seniors Kaitlyn Palik and Chloe Zegers, juniors Kailey Blum and Kaydance Smith, they got 12th. For their Kick routine called "Let's Work," they got 8th. Aldrich offered this advice for students considering dance: "Go for it and give it your all, you've got nothing to lose."

SMILE!
HAILEY GLODOWSKI SHOWS THE CROWD HER BIGGEST SMILE WHILE PERFORMING "LEVELS," THE TEAM'S HIP-HOP ROUTINE. GLODOWSKI EXPLAINED, "MY FAVORITE DANCE WE DO IS HIP-HOP BECAUSE THE CHOREOGRAPHY MATCHES OUR TEAM VERY WELL." THE HIP-HOP ROUTINE "LEVELS" WAS CHOREOGRAPHED BY SENIORS CHLOE ZEGERS AND KAITLYN PALIK, AND ALSO JUNIORS KAILEY BLUM AND KAYDANCE SMITH.

Like A Girl? No way! Freshman Abby Lindsley gives her POI about how saying "like a girl" is not okay! Lindsley placed 5th at state in Program of Oral Interpretation.

This one is for the girl that said NO! Senior Caroline Slama shares her Poetry program at David City High School one last time before state. She placed 2nd at state!

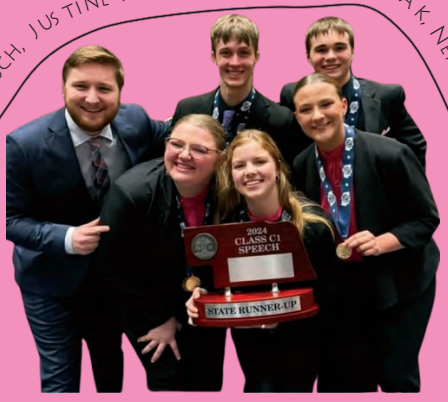

Death! Senior Joey Scribner and junior Neil Olson performing their duet at the pep Rally before the NSAA State Speech 2024. "Our Duet was very interesting this year with me (Neil Olson) having to have so many characters and dying seven different times, it was definitely a challenge, but we Overcame the challenge," explained Olson When asked about how hard it was to learn his parts. Their duet, called "A Gentlemen's Guide to Love and Murder," got 4th at state!

The crazy one! Justine Fountain, senior does her entertainment for the pep rally. She says, "It was really fun to hear all the gasps when I tore up the picture of my prom date, which was also my ex-boyfriend, during my speech.."

For this speech team to achieve excellence, you need to leave no doubt of your preparation, your grit, and your dedication. You need to adopt the attitude that THEY AREN'T READY FOR YOU.

High School Speech

The Scout Speech team dominated their season, following up conference and district championships by sending a school record-setting 18 events to state. In previous years, a competitor could only participate in two events at state, but this year a student could compete in three events—a rule change that allowed the Scouts to go into State competition with more entries than any other school in Class C. The team was double-entered in every event except extemporaneous, and broke eight out of ten events into finals. At the end-of-year banquet, Coach Ockander noted the several close calls and heartbreak finishes that led to the Scouts landing in the runner-up position at State. "If I had to describe this team in three words, they would be 'dedication, 'patience,' and 'growth,' because this team continues to show these characteristics not only during the season and towards speech but in their individual active and just day-to-day lives. I will forever be so grateful to be on and work with this team," said Slama. Slama was this year's highest point earner on the team and she, along with Neil Olson, are the first Scouts to win three medals at the State meet.

CHANGE YOUR LIFE FOR THE BETTER!

Stay-U

Joining Stay-U this year could actually put you on the right track in life! Stay-U is a drug-free team, making this school a safer environment for teachers and students. Stay-U is here to make this school a drug-free community and make it so kids can be themselves around each other, as well as feel comfortable around everyone.

"It is a group for others to be around like-minded people, whose goal is to stay drug-free or actively try to stay drug-free," said senior Justine Fountain. Having like-minded people around you or in your environment can help you learn more about yourself and become more comfortable with yourself and the people around you.

Some advice for new people on the Stay-U team would be: Let loose, be comfortable, and try to improve yourself every day. Being able to help yourself and others at the same time is a great skill to have while being in this organization.

Safe clean fun! Freshman Shelbea Reed and Sophomores Kamryn Behrns and Kambri Andel have loads of fun trying to help each other in the game they are playing at the Stay-U kick off party. The leader of this organization, Mrs. Sander, has very positive thoughts about this group, saying that, "Seeing kids make the drug-free lifestyle and choice, watching them become good role models. Being able to help kids and see them grow" are all advantages to sponsoring this group.

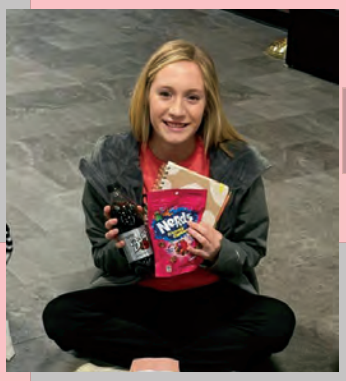

Kick Off Party! At the Stay-U kick-off party, Sophomores Brittin Valentine, Cohen Denker, and Jesse Divis work together to get the ball into the hole.

Christmas Party! Freshman Hayley Farmer received a water bottle for the Christmas trade event that Stay-U had!

WE'LL MAKE THE HONORS!

National Honor Society

Seniors Justine Fountain, Kaitlyn Palik, Caroline Slama, Grace Eickmeier, Junior Reese Svoboda, and Seniors Brock Dubbs, and Brayden Johnson enjoy breakfast during a morning meeting.

National Honor Society is made up of the most respectable students in the school. Their hard work, dedication, and involvement have paid off and landed them a place in this group. National Honors Society members spend their time improving the lives of others with their random acts of kindness. This year, NHS has completed many acts of kindness including reading to elementary students, drawing with chalk outside of the elementary, and thanking people in our school system such as bus drivers and kitchen staff. The biggest act of kindness that NHS puts on is Scare Away Hunger. During this event, NHS members collect money or nonperishable food items to be donated to the Rural Food Connection. Students who participate are then allowed to wear their Halloween costume to school.

STU-CO

"You Can Be Anything"

The DCHS Student Council had a year filled with events and activities. Student Council Representative junior Reese Svoboda says, "I think the student council has done more this year than any other year." One activity that Student Council added this year was the Sweetheart Dance. Students had been asking for a mid-year semi-formal event for several years, and this year Student Council made it happen. Student Council works to get more students involved with and interested in extracurricular activities by inspiring and attracting students into clubs by matching their interests and wants. Let's make it like this every year!

One-Act Play Production

"It feels really great to get something you have worked so hard for in the long run," said sophomore Kaylee Dresch, explaining how she felt about the State Championship earned by the 2023-2024 David City One Act team. Senior Justine Fountain added, "When we found who got second [Aquinas, who won last year], I was really worried that one of the other teams had gotten first." Fountain also described the role and responsibilities of being a senior on the stage: "At the beginning of the season, I was scared without the previous year's seniors. Plus the fact we had a small cast and many new actors scared me. Yet, at the end of the season, I felt like I got more leadership roles. So, my feelings went from worried to feeling like I had responsibilities." This has been a really great season for the acting Scouts, starting the season with a runner-up at the Norfolk invite, winning at Conference and Districts and coming home from State as State Champion!

HA! HA! HA!
SENIOR JOEY SCRIBNER AND HIS SWAMP SPIRITS BOMBARD JUNIOR HANNAH SCRIBNER WITH THE TRUTH ABOUT HER MOTHER. WHEN ASKED ABOUT THE OVERALL WIN AT STATE, HANNAH SCRIBNER SAID, ""I WAS EXTREMELY DISAPPOINTED IN MYSELF AFTER WE FINISHED, TO THE POINT I BEGAN TO CRY. I WAS SHOCKED WHEN WE WON AND I WAS TRULY, HONESTLY OVERCOME WITH EMOTIONS. I WAS SO PROUD OF EVERYONE INVOLVED WITH THE PLAY PRODUCTION THIS YEAR."

FFA

The 49 members of the FFA work together to accomplish a variety of things, ranging from working in the greenhouse, to competitions, to even going to state. The team has many officers to help lead them to success. Hunter Hlavac-President, Hannah Gangwish-Vice President, Braxten Osantowski-Secretary, Isaac Zimmerman-Treasurer, Natalia Thoendel-Reporter, Kambri Andel-Sentinel, and Hayden Valentine-Parliamentarian. "Leadership. It's all about Leadership. If we follow the leadership of our president, we shall be led out of the darkness of selfishness and into the glorious sunlight of brotherhood and cooperation," said senior Hlavac. The best highlights for the team were having two CDE teams (Agriscience and Floriculture) get runner-up at state. The FFA team has given multiple students the chance to travel and the opportunity to meet new students from around the state and make new friends.

UP UP UP

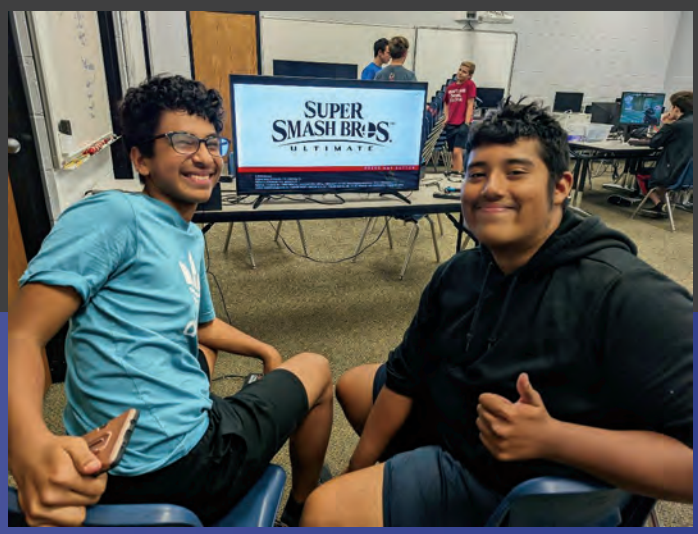

During practice, freshman Julien Marick, junior James Farmer, and senior Caroline Slama play Valorant. When asked about the community of the E-Sports team, Julien Marick stated, " I think everyone gets along well, We're pretty loud and we make funny jokes towards each other."

This Fall season included 25 members. For the past years they have only include fall and spring seasons, but this year they added a winter season as well! For the fall season the option of games consisted of Valorant, Super Smash Bros, and Clash Royal. Every game this fall season, in addition to every team, qualified for state! Valorant was state runner ups, Clash Royal team one placed 8th and team two placed 5th! Lastly, Smash Bros team one finished in 4th and team two finished in 7th. Coach Ebbeka's favorite part of Esports is "Always the State Competitions. It is an exciting accomplishment to qualify for State, especially if we have multiple teams make it. It is extra exciting to play at State, because we go against the top teams, making the competition really good and the games fun to watch. Plus it's a really fun team bonding experience."

LET'S PLAY

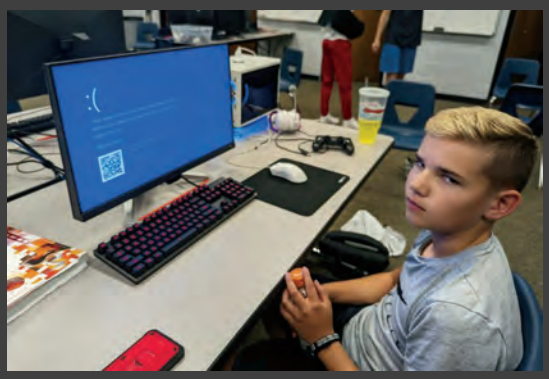

Getting into a game of Super Smash Bros Ultimate, Freshman Gerson Carreto and senior Jonathan Sosa-Palencia have big smiles on their faces! When asked what his favorite tradition is in E-sports Jonathan Sosa responded, "My favorite tradition is having a LAN party during the season. I like that we get together and then we just play games together. I think this is fun because it brings us together more. I enjoy playing a lot of different games with people."

SAD TIMES
Freshman Justin Watts-Dinkelman expresses his facial opinion on technical difficulties. When asked what his favorite games were, he responded "There are a ton of games that are available in esports and most of them are all in different genres; There are shooting games, racing games, sports games, and lots more but my favorite falls in the racing/sports category which is rocket league. In rocket league you are controlling a car and trying to score the ball into the opponent's goal."

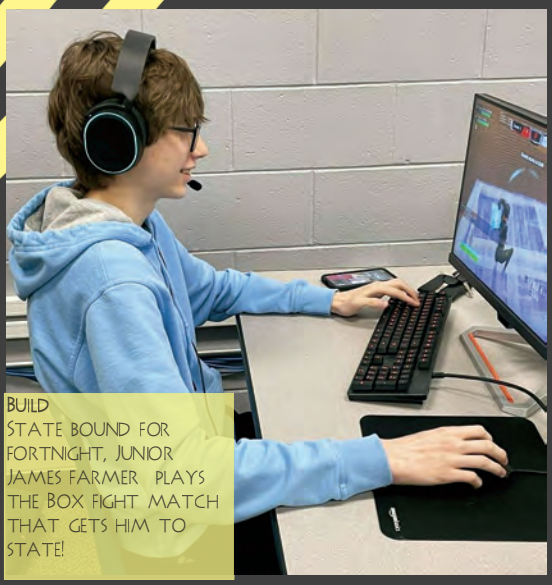

DOUBLE DEUCES
Junior Stanley Allen poses for the camera showing his setup! When asked what his favorite game to play, he states "Overwatch; I've been playing it for years, and I love the teamwork aspects and the different roles each player has."

SCORE THE ROLL
While at a tournament at York on October 14th our Rocket League team scored 1st place.

State is all these players know! With the additional winter season, they have been able to attend state all three seasons. During the winter season, Overwatch was able to make it to state and placed 4th! This game "wasn't offered last year and a lot of players wanted it back. I think it has a broader appeal than a game like Valorant" claimed Coach Ebbeka. Spring season went to state where Fortnight team one was state runner-ups, and team two placed 5th. Rocket League team one placed 1st and team two placed 4th. Keeping up the tradition, David City was the winner of the Division Cup!

SUPER BOWL? NOPE! WE CALL IT QUIZ BOWL!

The quiz bowl team works together to compete against schools around the country in the Online Knowledge Master Open on February 12th.

At Central City this A team was 2-2 with an upset of the #1 seed of the 45 team event on October 27th.

On April 16th the team ended their season at the ESU-7 contest at CCC.

Row 1: Paul Tebbe
Row 2: Elyssa Bales, Chloe Foss, Neil Olson, Caelan Olson, Garrett Small, Stanley Allen, and Joseph Scribner,

After losing quite a bit of the crew last year these nine quiz bowlers worked together and took part in rebuilding a stronger team. Sometimes the team had to split up in A and B teams during competitions. Some competitions only allowed 4-6 participants. The team in general took part in many competitions, traveled to tournaments and even did live online rivalries. "The easiest thing about quiz bowl is showing up," said Junior Neil Olson. That may be easier said than done, as many participants are involved with several other activities. Sponsor Mrs. Bales, who is in charge of both middle and high school teams, said that, "The most challenging part was trying to work around everyone's schedules." The team did many practices during and after school. The team would also be sent Google forms to practice when they could. Although not all competitions went their way, they still managed to do their best and work their way through the season.

At the SNC tournament this DC-A team went 4-2 finishing as runner-up on March 18th.

Yearbook/SCOOP

Junior Daniel Van Horn focuses on taking a picture in the hallway for an assignment in yearbook.

In yearbook we learn many different things on how to use a camera. We started off by going around the school taking pictures from different points of view. We all had a little too much fun taking pictures of each other. After a few days of taking pictures of different things, we put them on a Powerpoint, and we all got some laughs out of some of the pictures.

"It provides an opportunity to use a camera, and learn how to better use its advanced functions," said Junior Daniel Llasaca-Van Horn. There are many different settings you can use to take pictures. We originally stay in one or two settings making sure the pictures come out clearly. Each person in the class has their own spreads for the yearbook. Most new members freak out thinking they have to be the ones taking the pictures for their own spread. But that is false. We all help each other out if we are unavailable to do so.

The teachers for the yearbook class are Mrs. Olson and Mrs. Noonan. They both work together very hard to make sure everything is on time and to help their students. Teaching a yearbook class comes with a lot of responsibilities, in addition to watching us all grow as a team and get better as we go.

Abigail Lindsley

This year FCCLA started to host skills nights to teach members new skills. In October, these four members learned how to sew wristlets and lanyards to attach their keys to. These members had so much fun they made extras for their friends!

NOTHING IS IMPOSSIBLE

FCCLA kicked off the year with a picnic at the park, but this is barely the beginning of their year! The Family, Career and Community Leaders of America, or FCCLA, is a nationwide organization that focuses on Family and Consumer Sciences and community service in the schools and communities that they are a part of. There are over 237,000 members, more than 7,000 advisors, and around 5,100 chapters around the country. The David City chapter of FCCLA has so many events planned this year, and everyone is looking forward to different events that will involve community service and other activities.

"I love traveling with my members as they experience new adventures," said Tonya Zegers, advisor for the David City FCCLA team. When asked to describe FCCLA in three words, Zegers summed it up as "Ultimate Leadership Experience."

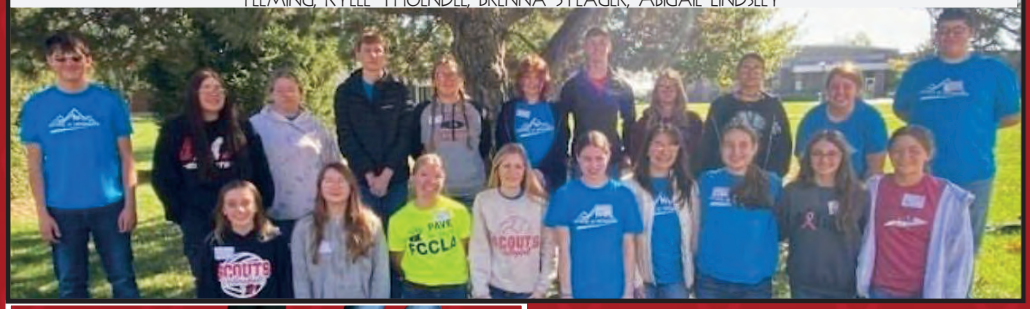

The FCCLA president, Kaitlyn Palik, said she loved "meeting new people." Palik says she is looking forward to going to FCCLA Nationals the most, also stating, "I know that this is going to be an outstanding year for FCCLA, and all the members that are a part of it, both new and old."

The FCCLA attended the district leadership meeting in October, the district STAR competition in January, and state STAR in April. During the State Leadership Conference in April, Ellie Bales was selected to serve as a State Peer Officer for the 2024-25 school year and five members advanced to the National level! Hannah Scribner, Ellie Bales, Abigail Lindsley, Chloe Zegers, and Kaitlyn Palik will take their projects to compete in Seattle, Washington in June.

HIGH SCHOOL CHOIR

The David City High School Choir earned a Superior at district music contest at Columbus Middle School on Apr 19, 2024. Four soloist competed individually as well: freshman Jaylee Lucio and sophomore Kaylee Dresch received excellent ratings for their respective performances, while sophomore Hannah Pokrinchak and senior Tristan Schmit earned superiors for their performances. That pushes them to the end of their year after performances at the Winter Concert in December, the Mid-Winter Concert in March, and the Spring Concert in April. The final performance was a farewell to the hard working and dedicated seniors at their Graduation in May: Tristan Schmit, Hunter Hlavac, Carolina Dancer, Kathryn Reardon, and Kaitlyn Palik. Many memories were made with these seniors this year; when ask what her favorite memory from this year was senior Kaitlyn Palik said, “Singing my high note during the Mid-Winter Concert, in the song Bohemian Rhapsody by Queen. I loved hearing the crowd cheer for me.”

TEAMWORK MAKES THE DREAM WORK!
THE HIGHSCHOOL CHOIR PREPARES TO SING THEIR LAST SONG AT THE WINTER CONCERT: "LITTLE SAINT NICK" BY THE BEACH BOYS. MR. BRUMM SAID, "IT IS VERY ENJOYABLE TO WATCH ALL STUDENTS GROW IN THEIR ABILITIES. IT MAKES ME VERY HAPPY TO WATCH A STUDENT LEARN A NEW SKILL, OR MASTER SOMETHING THEY STRUGGLED WITH."

FIND YOURSELF DEEP DOWN!
THE BARITONE SECTION OF THE CHOIR, SINGING "THE RIVER" BY GARTH BROOKS AT THE MID-WINTER CONCERT. "IF I HAD TO DESCRIBE CHOIR IN 3 WORDS THEY WOULD BE DIFFICULT, CRAZY, AND FUN," SAID SENIOR TRISTAN SCHMIT DESCRIBING HIS FOUR YEARS IN CHOIR.

Each year, many upperclassmen at DCHS pair with local businesses in work-study opportunities, allowing students to gain more in-depth experience in fields they would not be able to explore outside of the school day. Students attend their core classes during the morning, then leave to attend work during the second half of the school day. Senior Alex Thoendel was able to work at Moravec Financial as an intern. Since Thoendel is anticipating pursuing a career in accounting, this opportunity gave him a deeper understanding of what he can expect in his future. Other students agree that they are grateful for this chance to get first-hand experience prior to high school graduation.

The 22 Marching Scouts and their band director, Joseph Brumm, received a superior score at Pierce, Oxbow, and Wayne competitions, along with a rating of 2 at the NSBA competition in Kearney. This year there were three seniors and the band gained a lot of new freshmen. "Getting 22 people to do all of those things at the same time. To push people past their limits," were the difficult parts about conducting the band, said Mr. Brumm. The band worked together every day to improve on their marching and memorizing music. Along with the push from Mr. Brumm, the band performed three songs: “Prologue: Little Shop of Horrors," "Dentist/Suddenly Seymour," and "Don't Feed the Plants.” Every morning the band went out to the football field across from the elementary and worked on their step-offs and cleaning up parts of the music. Every Friday they had an early morning band practice so they were all out on the field ready to go by 7:30am.

As fall gave way to winter, the 22 Marching Scouts transformed into the Concert Band. They had to work on being quieter as a whole, listening to each other, and learning new and challenging songs. The band performed three concerts throughout the year, including District Music Contest. At the District Music Contest the band received a superior from all judges. There were many soloists and duetists who scored superior (1) and excellent (2). The two songs the band played for districts were "Alamo" and "Ancient Flower." "My favorite songs I played this year were the ones I played a different kind of saxophone," said Jesse Divis. Some band members had a switch in instruments for example flute to piccolo, saxophone to berry sax, and clarinet to bass clarinet. These changes in instruments led members to experience new and fun things. The band would get to school right on time encouraging one another to get better as the year progressed. "My favorite part about this group is that we can have a lot of fun and joke around but when we want to get things done and start playing we can be serious and get better but still have dozens of laughs," said Mr. Brumm. Even if it got stressful for Brumm and the members, they always had inside jokes about the past or the present to bring everyone up again.

HOCO IS SO RETRO!

HOMECOMING WEEK

THROWBACK! STUDENTS DANCE AFTER THE HOMECOMING PEP-RALLY FRIDAY BEFORE THE GAME. THE SONG "GOTTA FEELING" BY THE BLACK EYED PEAS IS SURE TO GET STUDENTS ON THEIR FEET!

David City High School's homecoming is always some of the best Scout Spirit we see. It always gets better through the years, as people come and go. Our Homecoming Week Theme was Home Sweet Homecoming. Our dress days for the 2023-2024 school year were: Pajama Day on Monday, Twin Day on Tuesday, Rock and Roll Day on Wednesday, Teacher-Student Swap Day on Thursday, and Scout Day on Friday.

"Seeing all of the school spirit in so many different ways [is the best part of Homecoming]. With the students and staff dressing up, participating at the pep rallies, and ending the week with everyone at the football game," said Head Coach Mrs. Dredge who is in her 4th year of coaching the dance team. Being able to walk through the halls to see the craziest thing some people come up with makes homecoming a whole new experience for the underclassmen.

As underclassmen coming up from middle school and on into high school there are some really big changes. "When you come into high school it can be very overwhelming so I think that when we get a break from all of it and we finally get to homecoming it can affect the mood and how stressful it might be. They do it in such a good way to the point where, even if you are stressed out or overwhelmed it can help you and it'll help you get through the overwhelming emotions of being an underclassman," said Elyssa Bales. There are so many different ways that people can be affected by the transition from middle school to high school and that is why homecoming week can be very important to some. It is finally a break from all the crazy things that being in high school can bring.

"This year was my last homecoming dress-up day, so I wanted to have extra fun with it," said Justine Fountain, who was the overall winner of all of homecoming week dress-up days. This is another example of how great the homecoming week and season can be.

From the pep rallies to the silly games and then finally the game at the end week: it is always a great season when it is homecoming season.

STEP-BY-STEP

We run this town one mile at a time

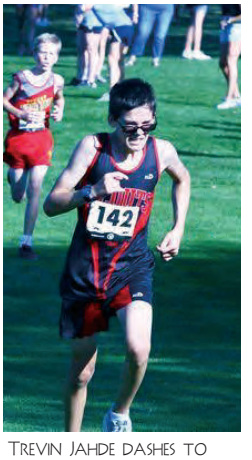

On your mark. Get ready. Set. GO! The Middle School Cross Country team, consisting of only four boys: Neil Zrust, Cooper Odom, John Benes, and Trevin Jahde, finished this season well-polished. Many practices were held in the morning due to extreme heat, but coach Rebbe found a way to add interest to the season. “I remember where we split into teams and had to run to certain places and take pictures and send them to him and race back to the school,” said eighth grade runner Neil Zrust. Zrust prepared for this year’s season by running a lot over the summer break, and his effort paid off when he ran in the state competition for junior high runners and placed 46th out of 345 runners. All of the middle school runners found success by pushing their personal boundaries and earning PR’s this year. Eighth grader Trevin Jahde said, “I am proud of the team and happy with the results." First-year coach Logan Rebbe said that the team exceeded his season expectations and to "look out for the runners because there is still room for growth.” (Team Photo found on p. 15).

ALL OUT

All Games... All Season

This year Mrs. Tiffany Heins started coaching middle school volleyball with the help of Mr. Schulze and Mrs. Wilson. Together they coached a total of 29 volleyball girls: Nine on the A team, 10 on the B team, and 10 on the C team.

Earlier in the season, the middle school volleyball team learned rotations, covering the donut on defense, and being more aggressive at the net. The team worked on calling the ball everyday to reduce errors out on the court along with working together to know if it was a down ball, a shoot set, a tip, or to have an aggressive swing.

"Getting to play" was most of the players' favorite part, said Mahala Hall. The coaches pushed each player every practice, to make them better for each game. The athletes made incredible improvements in their skills, in addition to a lot of team effort during the practices and games. This allowed them to win multiple games such as the David City invite.

"I loved helping our athletes acquire other skills they can utilize in life through our wins as well as our losses," said Mrs. Heins. These skills the athletes can use throughout their life, it teaches them to be better with time management, it helps boost friendships, and builds relationships with their peers. In addition it helps improve with setting goals, builds leadership, and helps build self esteem. In the end the middle school volleyball team is like a family. They supported each other through thick and thin. Even when it got hard they didn't give up. They tried their best every day to get where they are now.

Number 8 Mariah Lukert sets the ball to one of her teammates so they can hit it over the net at the Centennial game on October 2nd.

Number 6 Mariah Lukert, Number 2 Sadie Nicolas, and Number 4 Bella Heins watch in hope as Emma Zimmerman hits the ball across the net to Centennial in the Elementary gym on October 2nd.

PROJECT
Getting set to throw the ball, Chase Kuhlman on offense playing quarterback at their home game on October 2nd. When asked what the climax of the season was 8th grader Kuhlman responded, "Winning our fourth game was our climax. It really boosted morals and thoughts about our football team."

ADJUST THE TEMPO

ON DECK
Getting lined up the junior high men take their places.

STEP ON IT
8th grader Alec Wieser sprints with the ball in his hand attempting to score a touchdown at a home game on October 2nd. When asked what the climax of this season was, Alec Weiser stated, "Scoring two touchdowns in a single game when playing Milford." Now moving on to highschool football, when asked what he has learned so far he said, "I learned that working with people I don't like can benefit me sometimes by allowing me to enhance my skills in football."

CLASH
8th grader Yair Sosa blocks the opponent. When asked What he will miss most about his middle school football seasons and what excites him about playing in high school, Sosa responded, "One thing I will miss about my middle school year is being with all my friends and having a good time and one thing that excites me about playing in high school is playing with more people and being able to learn more from the older kids."

These middle school boys won against Centennial and at our own field against Milford! #8 Chase Kuhlman will nevermore be on the junior high football team. When asked what he will miss most about junior high football he stated, "I will miss playing for my coaches but I'm very excited to keep playing with the boys I did this year."

GETAWAY
With the ball in his hands 8th grader Fabian Aguilar attempts to flee.

The middle school wrestling team had a good start to the season; for many of the wrestlers, it was their first time on the mat. New or experienced, everyone had a chance to learn and improve this year. Paul Ewert has been wrestling for most of his life and he says that, "Going into the season I was looking into improving my decision making." That he did when, at the David City Invite, he got to show what he's learned by defeating his opponent. At the end of the season, the team had improved dramatically, winning more matches. Judd Nickolite says, "My team improved on winning more matches and especially on effort; the team put in a lot of effort and we got really good as the year went on."

MS Boys Basketball

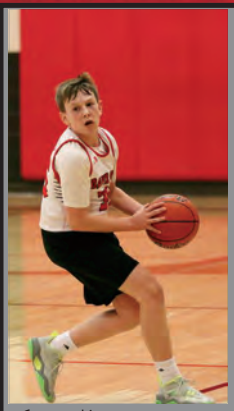

Middle school is when many athletes participate in organized sports for the first time; they learn to play with others to run organized plays and coordinate on defense. Coach Tom VanWinkle leads both boys and girls middle school basketball and said, "I feel that team members were comfortable asking a variety of questions throughout our short season." The players knew that the season was about growth, and VanWinkle said, "I felt that they did a good job working together and showed improvement as the season progressed."

FOCUS!
8TH GRADER SADIE NICOLAS WATCHES TO SEE IF HER SHOT FALLS TRUE. SADIE SAYS, "THE MOST MEMORABLE MOMENT FOR ME WAS HITTING A THREE WITH TWO MINUTES LEFT IN THE GAME WHICH PUT US UP BY FIVE."

WHAT WAS YOUR FAVORITE TRADITION ON THE BASKETBALL TEAM AND WHY?

Kayla Wieseler

"MY FAVORITE TRADITION WAS BRINGING MINI MARSHMALLOWS AS A GOOD LUCK CHARM SO THE A TEAM WOULD WIN."

Regina Garcia

"MY FAVORITE TRADITION ON THE TEAM WAS THE DRILLS BECAUSE THEY WERE CHALLENGING."

Mariah Lukert

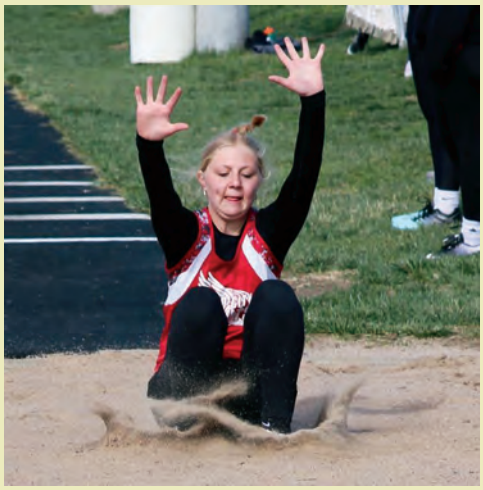

"MY FAVORITE TRADITION DURING BASKETBALL WAS WHEN WE BROUGHT SPEAKERS ON THE BUS AND OUR WHOLE TEAM SANG OUR HEARTS OUT."

ATTENTION!
MIDWAY THROUGH HER TRIPLE JUMP, 8TH GRADER BELLA HEINS COMPETES AT THE DAVID CITY INVITATIONAL ON APRIL 19TH. HEINS HAS COMPETED IN THE TRIPLE JUMP ALONG WITH THE 4X100 RELAY BUT HER FAVORITE EVENT IS, "TRIPLE JUMP BECAUSE I AM STRONGER AT THAT THAN I AM WITH ANY OTHER EVENT."

GO!
MAKING HIS WAY TO THE FINISH LINE, 8TH GRADER KLAYTON RERUCHA SPRINTS TO THE END AT THE DAVID CITY INVITATIONAL.

"The major goal we hoped to accomplish was just to end up better than we started," said Coach Sobota. These athletes had much determination, so this season, "The most difficult part for the athletes was accepting that they probably won't set a personal record at every track meet," explained Coach Sobota.

But even when not setting records this team always supported each other. "I enjoy being with my teammates, cheering them on in their events, and hyping them up." These were 8th grader Ava Hlavac favorite aspects of being on the track team. Additionally, Coach Sobota's favorite tradition is, "The Thrower's Relay at our home track meets. It is always a crowd favorite and gets everyone cheering. It is the quickest the throwers run all year!"

With the 8th graders stepping up to high school, Sadie Nicolas advises "to never give up on the event you are trying to get good at because no event is easy, especially on days when the weather is bad and you're trying to PR."

Mr. Brumm leads the seventh grade choir as they sing at their Holiday Concert in December.

Middle School Music

FACE THE MUSIC

Middle school students have a variety of opportunities to experience music, from band to performance choir to music appreciation. The students spent the last months of 2023 preparing for a Holiday Concert in December, then moved on to perform a Mid-Winter Concert and a Spring Concert this year. Since choir is required for middle school students, not everyone is a fan. However, 8th grader Alec Wieser says he loves it: "Choir is fun when people aren't being hooligans," he said.

Eighth graders Reciel Nieves, David Hernandez and Alec Wieser perform an all-boys song at the Winter Concert.

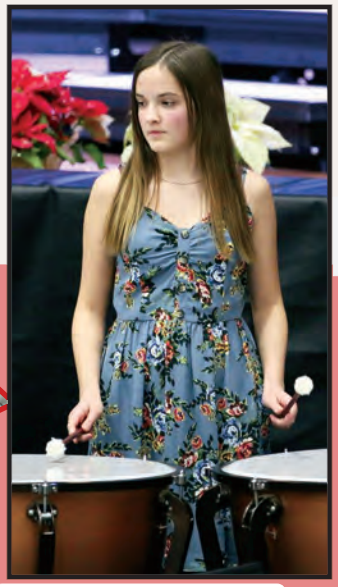

Standing on business Harley Bongers, Conner Reed, Kallen Albers and John Benes watch Mr. Brumm closely for their cue to play.

MS Quiz Bowl

The middle school 2023-2024 quiz bowl team has had a great season: from practices to meets, this team has placed anywhere from 5th to Runner-Up. "My favorite part about being on the quiz bowl team is that I get to hang out, make fun memories with my classmates, and learn interesting facts. This is all because I am not in that many extra curriculars and I enjoy learning new facts especially when it's with other people I know," explained 7th grader Clara Yates. This year, Jacob Hlavac was leading scorer with 22 correctly answered questions. "My Favorite part about being on the Middle School quiz bowl team is the fun events we go on and hanging out with friends because it helps build personality and maybe have funny stories," Hlavac said.

MIDDLE SCHOOLERS TREVIN JAHDE AND CHASE KUHLMAN PLACE 3RD AT THE NORFOLK INVITE ON APRIL 21ST.

MAKENNA GANGWISH COMPETES AND MAKES 1ST AT THE GRAND ISLAND MEET ON APRIL 14TH.

AT THE GRAND ISLAND INVITE NEIL ZRUST IMPRESSES THE JUDGES PLACING 1ST PLACE ON APRIL 14TH.

Six middle school speech kids v. competitions! After spending hours writing, practicing, and refining their events, students had some terrific success this season. "What I love most about the people in my speech group is how supportive they are and how they can still be critical to help make my experience and my speech even better," said Makenna Gangwish. Each member stayed accountable for their responsibilities this season to allow every competitor to feel confident, supported, and accomplished. Many students are excited for the preparation that Middle School speech has given them for when they join the high school team next year!

MADELEINE SUMMERS WAITS PATIENTLY TO RECEIVE HER AWARD AT THE NORFOLK INVITE ON APRIL 19TH. MADIE PLACED 1ST IN INFORMATIVE SPEAKING.

Let's Go Scouts! The middle schoolers are divided into four houses and once a month gather during access to battle it out. The challenges consist of almost every game from traditional sports like basketball to newer games such as bottle flipping. Seventh-grader Brandon Mills says that basketball was his favorite sport activity, stating: "It's fun and I like to shoot hoops." The house competitions aren't just about competing against one another, though; it's about being able to socialize and get to know your classmates better. When asked if he enjoyed the house competition games, Alexavier Calderon said, "Yes! Because it's a fun group acitivity!" While the games are fun the important part is that they are learning skills and formulating new social skills that will be used in high school and after.
